# ONCE IN A LIFETIME

*When members of the Class of 1986 were completing their senior year, they shared a "once-in-a-lifetime" experience with the Class of 1910, which had graduated generations before them.*

*Their common experience was linked by an uncommon visitor to the planet earth, as Halley's Comet swept through the same vast universe as predictably as the life cycle of man.*

*The Class of 1910 was still marveling at Model T Fords and propellered airplanes when the comet arrived. Yet to come were two world wars and the tragic aftermath of others. The Class of '86 studied those wars and witnessed miracles that conquered dreaded diseases and landed man on the moon.*

*But what will the comet find when it visits the Class of 2062? To some extent, at least, as it launches out into its own unique orbit, the aspirations and decisions of the Class of 1986 will determine the answer.*

## Principal Lester H. Burch

*As the 1985-1986 school year came to a close, seniors Christopher Desprez, Yearbook Editor, and Linda Silvestro, Yearbook Staff Member, talked with Principal Lester H. Burch about their class and the present school year.*

They learned that upon his arrival at Walpole High School in the fall of 1979, Mr. Burch set as one of his major goals, the creation of a program to encourage students in the development of strong leadership abilities. By the time the Class of 1986 entered, a definite plan was in place which he now views as a success, due in part to the example displayed by this multi-gifted class.

Mr. Burch has always felt that, "the senior class can make or break the school." "In a climate where they always felt comfortable in a leadership role, students in this senior senior class presented an excellent attitude. They showed a great amount of confidence, a positive self-image, and much self-esteem, which resulted in an outgoing and enthusiastic group," said Mr. Burch. "As freshmen they had been encouraged to not only do well academically, but to participate actively in extra-curricular activities," he added. "As seniors they provided the school with many extraordinary events in all areas."

"An outstanding number of seniors brought their athletic teams to division and state tournaments, thrilling spectators with the sight of amazing feats against strong opponents," Mr. Burch continued. He also mentioned the high quality of entertainment provided by the drama and music organizations, especially their efforts in the first musical presented here in 30 years. In addition, we saw artists, foreign language students, mathematicians, musicians and the new Academic Decathlon Team do well in competition. Especially to be commended are seniors Sheila Connelly and Linda DeMichele who worked long hours to keep the Student Council together in spite of the students' diminishing interest in proposed projects.

Members of the Class of 1986 can always be proud of the standards they set and of the school they leave behind. Their superb behavior, whether in the audience or as participants at social occasions such as the spring prom, acted as a positive influence on others and added to the respected image of the school. Administrators, teachers, and other friends on the staff wish them well, and welcome their visits as alumni to share either their successes or their failures.

# MEDIA

Striving to satisfy the modern technology as it reaches further and further into all aspects of the media, the staff continues to adapt its limited space to include the addition of new equipment and learning materials for both the student body and faculty.

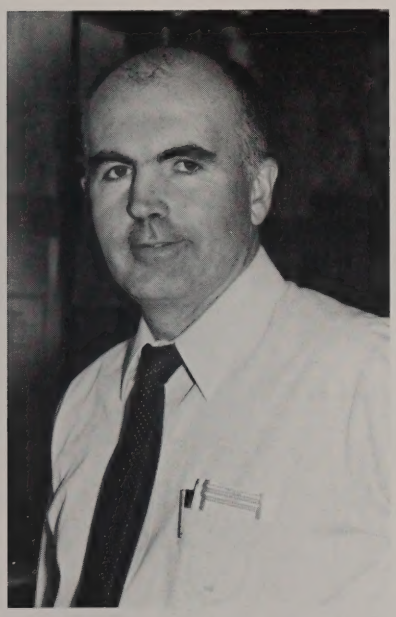
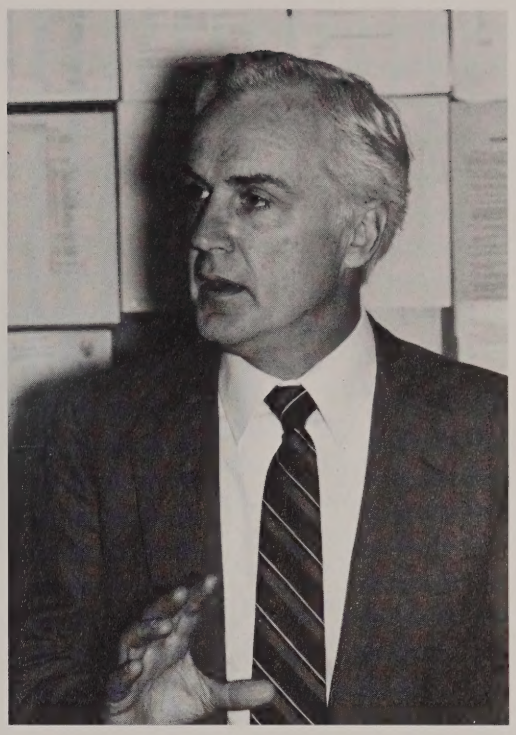
# GUIDANCE





The very successful Career Exploration program, sponsored jointly by Walpole High School and the Walpole Rotary Club, continued to be offered to juniors who met several times a year in small groups with representatives of a variety of careers. Several juniors and seniors participated in the internship program sponsored by TEC, The Educational Cooperative, which saw them placed in jobs where they could gain valuable work experience and sort out their career goals.

Students were encouraged to attend the College Night in the fall to investigate possibilities for higher learning, and over 80% of the Class of 1986 chose to continue with some type of education after high school.

# METCO

"We are here to build bridges", was the opening remark of the Council for Educational Opportunity Co-ordinator for the Town of Walpole, Mr. Armand Munoz-Bennett (shown to the right) at a meeting this year of host parents and METCO staff members. In its nineteenth year at Walpole, the program has been continuously successful in transporting black students each day from sections of Boston to receive their total educational experience in a suburban town; having a host family; and entering, not only into the extra-curricular activities of the school, but of the community. At the same time, Walpole families, especially the school-age children, enjoy the exposure to a different culture.

This year activities included visits by black artists, a Martin Luther King Poster Contest, workshops, and a presentation by the Lincoln University Choir. Although the major thrust of the program is the academic and social enrichment of METCO students, a major goal is to improve the climate and approach to learning for multi-cultural studies.

Taking the lead as usual in intergrating computers into its courses, the math department continues to be in a state of change. The Walpole High School Math Team ended its year capturing fourth place in the 16-team Southeast Massachusetts League.

Department Chairman Mrs. Eleanor Lind was chosen to be among 30 other area math teachers to attend "Amplification 86", a special institute to be held at the Harvard University Graduate School of Education during the summer of 1986. The objectives of the institute are to improve the quality of math instruction, to provide for professional growth, and to give instruction and support to enable attendees to become "teacher leaders."

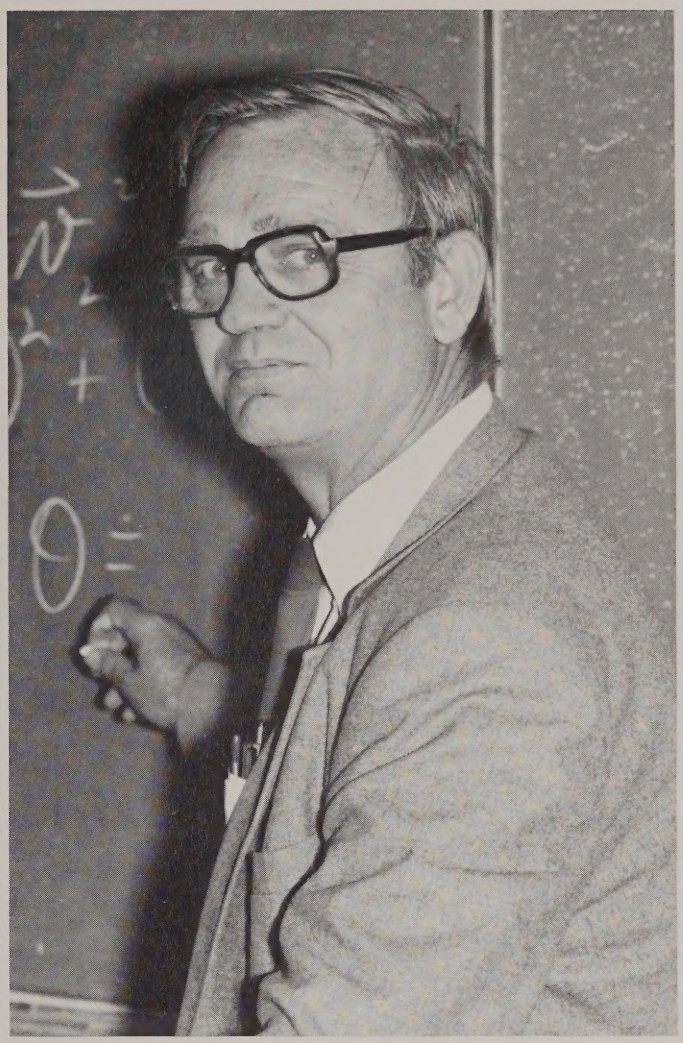
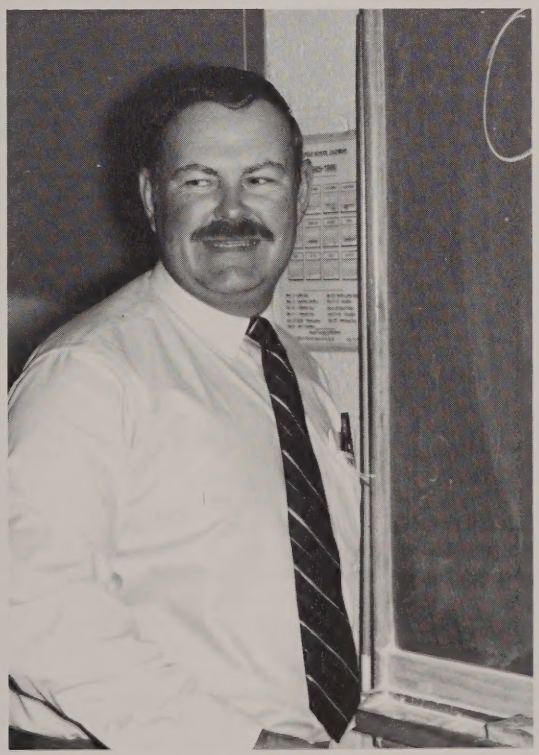
As planned, the use of computers in classrooms, laboratories, and demonstrations increased dramatically over the previous year, with this trend expected to continue into the 1986 - 1987 school year. Of special interest to pupils is the extensive variety of experiments done in laboratories in science courses. Being able to use the computer in conjunction with these activities enhances their value to the students.

Department Chairman Mr. Thomas Brown was honored by Sigma Psi, National Honor Society for Science Researchers with a special award at the annual state chapter banquet.





# SOCIAL STUDIES

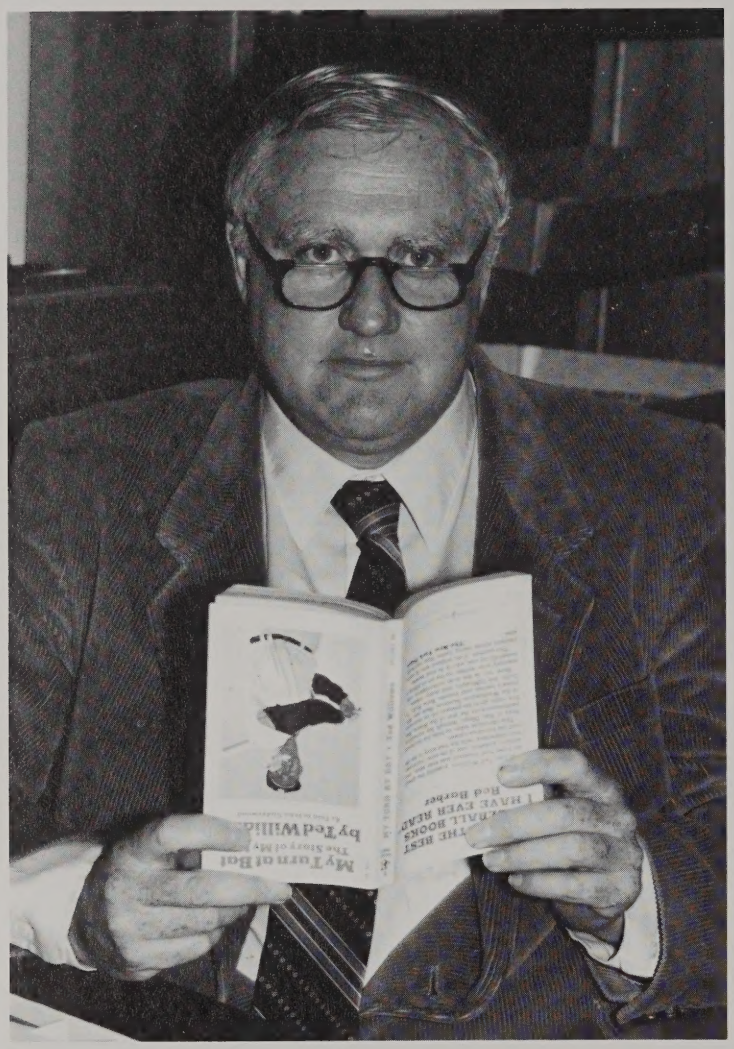
Activities began even before September, when Dilek Tercanli and Les Winner were awarded a week in New York City during July as winners of the United Nations Contest. When school opened, students were selected for a special leadership program to help them perform in student government or other social activities. WHS also participated in Bentley College's Spotlight program which strives to develop the ability in students to make creative decisions.

As the faculty spent time rewriting the U.S. History curriculum, students were also involved in the Framingham State College History Contest (where Mark Capparella, Gail Kelly, and Sheila Malloy received Honorable Mentions); AFL-CIO Scholarship program, and Massachusetts Student Government Day. As usual, representatives were chosen to represent WHS at Boys State, but the Class of 1986 is to be congratulated on being the first class to also send students to Girls State.

In March, 14 students and Miss Geoghegan traveled to Washington, D.C. to participate in Project Close-Up where they met students and teachers from high schools in different parts of the country as well as members of congress who represent Massachusetts. For six days they observed our government in action and attended cultural and social events, which included visits to many of the famous landmarks in the nation's capital. Said Fran Racette, the Close Up Foundation's coordinator for the 710 Massachusetts students, "I was impressed with the positive spirit and enthusiasm for learning shown by these young people who were outstanding representatives of their schools and Massachusetts."

# ENGLISH



Page 34, top left: Department Chairman, Dr. Arthur Hull; top right: Mr. Richard Schnorbus receiving another hot tip for the REBELLION; bottom left, Mrs. Diane Hudson; bottom center: Dr. Kevin Farrell, bottom right: Dr. Thomas Banit, newly appointed Honors Program Chairman.

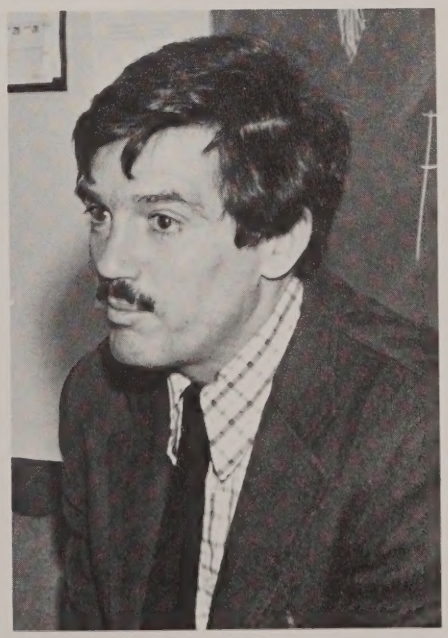
In retrospect one would have to concede that the catalyst stirring things up in the English Department this year was Mrs. Diane Hudson, a woman with a flare for the dramatic. Though seniors jumped ship when they learned of her high expectations for rehearsals (canceling the senior play), many were attracted in the latter part of the year to meet the challenge of putting on a musical. "Guys and Dolls" was the first musical at Walpole High in thirty years and the two nights saw the auditorium filled.

Apart from that extracurricular success there was an emphasis on developing stage presence in the curriculum itself. Mrs. Hudson worked with individual freshmen classes coaching them on the in's and out's of poise born of competency as they learned to speak effectively before their peers.

Elsewhere in the English program students were being prepared for less visible skills. Juniors and seniors were prepped for an entire week on the techniques of attacking the SAT's. Sample tests were given with hints on how best to tackle various questions. Also, an optional summer reading list was given to students who wanted to enhance their cultural background.

Journalism classes continued to publish the REBELLION newspaper as they were taught the fundamentals of using the computer for word processing along with the usual basics of newspaper production.



# The REBELLION

This year for the first time, journalism students were sent on assignments and, with the cooperation of the Allied Arts Department, returned to computers in the Business Lab to compose their copy, using the word processing program. Articles for the REBELLION newspaper were proofread, approved by English Department Chairman Dr. Hull, and then printed on the new high speed printer purchased especially for journalism class. Next, the material was reduced 75%, arranged in pastup boards, and sent to the printer. Not only does this routine give the students hands-on-experience in the world of journalism, but it means substantial financial savings for all publications. Senior David Thwing was editor of the REBELLION for Semester I, turning the reins over to Sophomore David Barsky for Semester II. The paper received the "Highest Achievement for General Excellence" in a contest sponsored by the *Patriot Ledger.*

The creative magazine, LABYRINTH, had Seniors Dana Moreshead and Barbara Wilson as Co-Editors of its winter issue; Sophomore Chris Demers edited the spring issue. Both had outstanding creative offerings culled from contributions to various English teachers and donations from the Art Department.

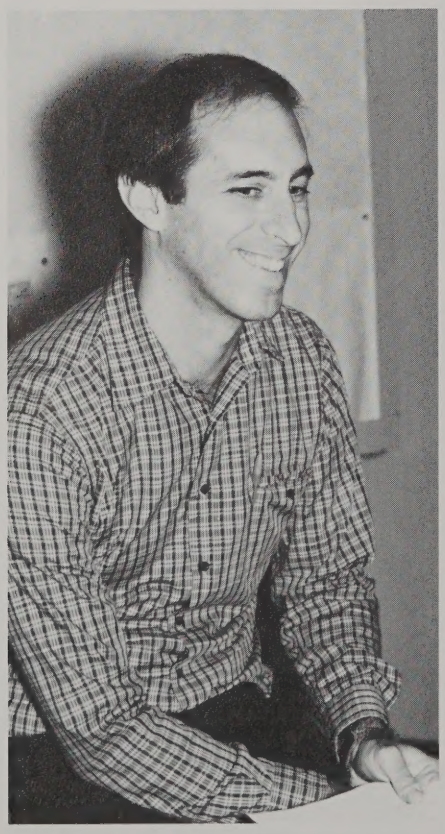
# FOREIGN LANGUAGE



Spanish classes began utilizing the computer as part of the curriculum, finding it a help in practicing individually for the Spanish Achievement Exam. As the year progressed, the Spanish Club participated in fundraisers toward a trip to some Spanish speaking country in the spring of 1987. On April 5, the National Spanish Exam was given at WHS, followed by a breakfast. Winners announced on May 28, at Framingham State College were: Kelly McColgan - 8th place in Level III, Lynn Fasanello - 7th place in Level III, and seniors Paula Nannicelli and Bruce Sacerdote, Honorable Mentions in Levels II and V respectively.

The French Exchange Program, including all French Club members, finalized plans to travel to France for 4 weeks in July, 1986, living with the families of French high school students who will visit Walpole during the summer of 1987. Ms. Charlotte Cole and Ms. L. Floy Miller, French Club Advisors, published an article on curriculum in the national journal *Foreign Language Annals*.

Latin Club students participated in many activities throughout the year with the grand finale, the annual Roman Banquet in May. Winners on the National Latin Exam were: Silver medals in Latin I - Sheila Malloy, Kelly Ryan, Ed Dionne, Meghan Sullivan, and Ann Boragine. Magna cum laude certificates went to Lynne Fasanello and Rachel Lueth (Latin II) and Lisa Trundley (Latin I). Cum laude certificates were given to: Kelly McColgan and Christi Collins (Latin II); Lynn MacKenzie, Harland Cook, Jay Medailleu, Mary Rosenthal, Stacy Loring, Paul Gaita, Erin McGee, and Karen Collins (Latin I).

In all classes oral proficiency activities were introduced to further the students expertise in this area. During Foreign Language Week (March 2 - 8) morning announcements contained a trivia contest in either French, Spanish, Latin, or German to call attention to the celebration and show the advantage of understanding a foreign language. As the year ended, farewells were given to Elena Cupeiro Sanchez who had spent her senior year at Walpole High School.

# PHYSICAL EDUCATION

The department continued its policy of providing outstanding opportunities for physical fitness and competition. In addition to the usual areas such as archery, tennis, floor hockey, volleyball, and softball, the outdoor education program remained as an important part of the curriculum. Students involved participate no matter what the weather. They learn survival techniques with 12 ingenious back-to-nature exercises that require helping each other over the rough spots.

Contributing to the success of general instruction was the Physical Education Leaders Program consisting of juniors and seniors who act as assistant teachers. They receive this opportunity by their past performances in the freshman and sophomore classes, participating in at least two interscholastic sports for WHS, and being appointed by a member of the Physical Education Department.

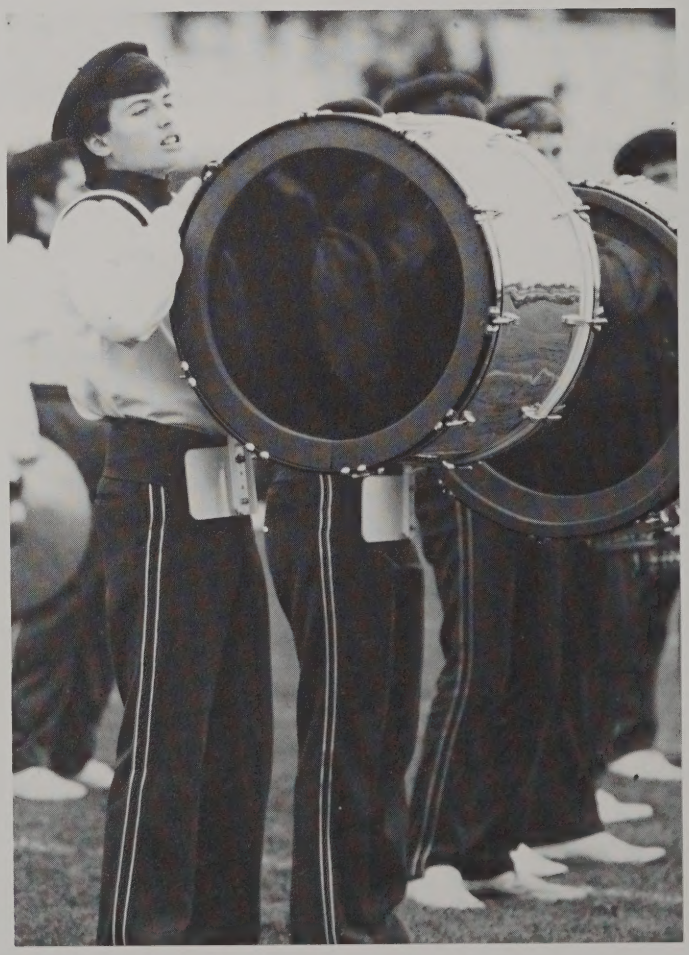
# MUSIC



Notice how beautifully the Colorguard performs in new uniforms, starting from the top left corner diagonally down, showing Lisa Trundley in the forefront of the center picture, and Theresa Ryan in the bottom right corner.

The marching band, under the direction of Mr. Gaston Malloy, started its year off in August with a week at camp in South Yarmouth to prepare for the upcoming season. Several recreational activities were mixed in with days of group rehearsals and individual practice, climaxed by a bonfire and dance on the last night. At football games, not only did their "Dixie" join the adreniline of the games and provide the battle cry for the warring Rebels, but they entertained the onlookers at halftime with new formations. A "first" this year, competing in the prestigious New England Scholastic Band Championships, resulted in the bronze medal. Parades such as the Lion's Club Halloween Parade in Woburn, Christmas Parade in Quincy, and Walpole's Christmas, Memorial Day, and Village Fair Parades also kept the band busy. At Christmas the Brass Ensemble played music in Boston's shopping district.

Choral Director, Mrs. Catherine Moen, and students John Coffee and Barbara Wilson attended the first annual New England Show Choir Camp at Wheaton College. Professionals worked with the group by day and performed at night. Students could strut their stuff the final evening. Walpole's Show Choir competed in the Bay State Show Choir competition in November at Easton High School. The Madrigals gave many performances for groups such as the Children's Hospital. Both the Show Choir and Madrigals performed at a number of other places during the Christmas and Easter seasons.

The Orchestra, under the direction of Mr. Michael Falker, and all other music groups gave winter and spring concerts, climaxed by the "Spring Thing" dance and Pops Night.

SEMSBA vocal finalists were Aileen Merrick, Amy Letscher, Gina Perry, Barbara Wilson, Lynn Sandahl, Kristin Amman, Jennifer Morse, Faith Sandahl, Janine Susi, Patricia Dixon, John Coffee, Jeffrey Kerr, Dyan Sandahl, Michael Marchionda, Scott Alexander, Daniel Killory,

Scott Smith, Eric Lightbody, and John Stuhlfire. This meant that the Walpole High School Chorus sent more students than any other school in the Southeast district this year. Instrumentalists accepted were: Linda Barcelo, Sharon Baughman, Nancy Agabian, Bridget Wood, and Heather Kearns. Chosen for All-State competitions were: Chorus: Kristen Amman, Theresa Curran, Jennifer Morse, John Coffee, Jeffrey Kerr, Dyan Sandahl; Band: Sharon Baughman, Linda Barcelo, Sherri Gardner.

In May the entire Music Department traveled to Washington, D.C., to take part in the "Festival of Nations" competition. The Show Choir, Madrigals, and Marching Band received bronze medals; Chorus and Concert Band, Merit Award; Orchestra, Participation Award. The Marching Band played on the steps of the Capitol, and there was some free time for sightseeing. Other schools attended from states such as Texas and New York, and other nearby Massachusetts towns of Stoughton and Duxbury.

Contributing to the success of the music program this year were many parents and friends, as well as the teachers and students involved. Of special note is the making of new uniforms for the Color Guard and drummers by volunteers Miriam Drivas, Karen Raker, Martha Wheeler, Alberta Halley, Ann Barcelo, Eileen Button, Sally Spicer, and Lucina Nagle.

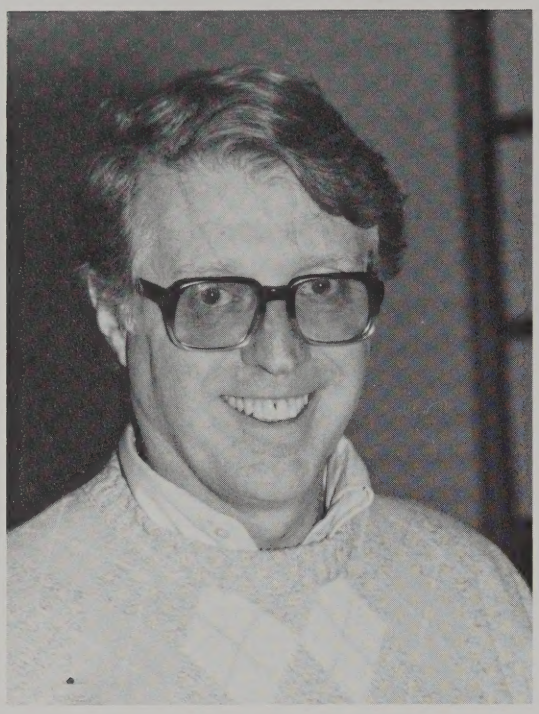
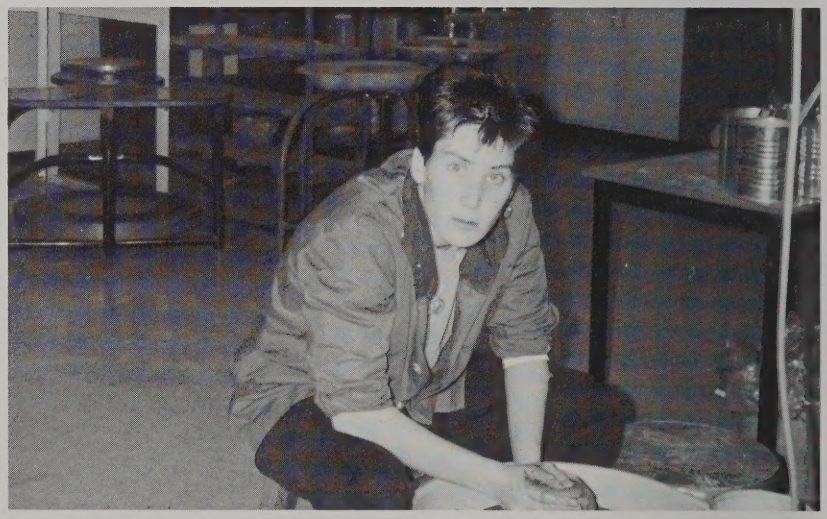
# ART





Senior Art Majors plunged right in during the fall to make sure portfolios were ready before Christmas vacation. Seniors Ron Cervasio and Dana Moreshead received gold keys in the BOSTON GLOBE Scholastic Art Awards Contest. Dana was also honored for his artistic achievement at the state finals.

In the annual Martin Luther King Poster Contest, sponsored by METCO, Laura Wasson received first prize, Anthony Kirorisis, second; Shawn Leston, third; and Laurie Fitzgibbons, fourth. Sophomore Jennifer Frost was winner of the contest to design a new Logo for the Walpole Chamber of Commerce. Although both amateurs and professionals entered the contest, Jennifer received the $100 prize and the privilege of seeing her Logo on an official Chamber of Commerce documents.

Jewelry and ceramics classes provided a valuable addition to the schedules of many interested students, and gave art students especially another dimension to their skill. Students' work was displayed in windows at Walpole Center, at the Walpole Co-operative Bank, and at the Walpole Mall.

A new course added to the curriculum this year was "Computer Repair", taught by Mr. Page to students who had previously passed Electronics I. Although there were some problems in obtaining parts, many computers in the school were repaired, especially in the Business Computer Lab. It gave the students the opportunity to have hands-on training in the growing field of computer repair; and it is hoped that in the future the class will also be able to fix the printers used with the computers as well as other office machines such as electronic typewriters and calculators.

Added to the drafting curriculum were three new Computer Aided Drafting Computers called CAD, received on a $10,000 government grant. These aid students in creating drafting structures and provide valuable experience in this new skill.

The screen printing class made and sold several items such as T Shirts and glasses. Many outstanding wood and metal projects were completed during this very successful year.

# BUSINESS

Performing as a section of the Allied Arts Department for the first time, business teachers were busier than ever this year in updating all courses. New computer materials were added to enrich most courses — especially accounting, data processing, and word processing. The advanced typing room boasted 30 new electronic typewriters, the first step in a plan to upgrade all typewriters to electronic models within the next two years.

Guest speakers from several secretarial schools and a field trip to Analog Devices in Norwood added variety to the curriculum.

# HOME ECONOMICS

The highlight of the fall season was the annual Thanksgiving Banquet given by the Meals and Menus classes. After three weeks of planning and hectic last-minute preparations, everyone agreed it was a great success. In addition to Mrs. White and Mrs. Barr, it was attended by Mr. Burch, Miss Brainard, Mr. Cantrell, and Mr. Neubauer, the new Allied Arts Department Chairman who supervises Home Economics activities.

As winter arrived, in honor of the Christmas season, creative gingerbread houses were built by adding candy and other delicious decorations. The spring dinner also was a mouth-watering meal attended by Superintendent Dr. Donald Burgess and Assistant Superintendent Mr. J. Chauncey Smith as well as Mr. Neubauer. As June arrived, the long-awaited barbecue was held on the grass in front of the school, a fitting ending to a busy year.

During the thrilling football season, the varsity cheerleaders were a welcome sight, lending their enthusiasm to excite the spectators and encourage the players. But despite the many new skills and techniques learned at cheerleading camp at SMU during the summer of 1985, the girls had a poor showing at the annual cheerleading competition held at Braintree High School in the fall.

The cheerleaders did have their brief moment in the limelight at the Annual Award Banquet held at the King Phillip Ballroom in Wrentham on March 23, 1986. Coach Darlene Glaser presented letters and announced that Teresa Lynch was the first-ever Bay State League All Star cheerleader from Walpole. Teresa also received the Spirit Award while Melinda Allan and Susan Butters were given the Coaches Awards.

Superbowl Champs???!!!! Not on the bottom line, but every bit Superbowl material when you compare this year's juggernaut team with the Rebel Superbowl Champs of 1981!!!! Consider the stats of the two teams and draw your own conclusions. The champs of '81 played 11 games, including the Superbowl. It was a perfect season with no losses or ties. This year's team played 10 games and lost one to Natick to share the Bay State League Championships.

But now hold onto your hat! The '81 team totalled 299 points after playing 11 games (including the Superbowl); the '85 team played 10 games for an amazing 437 points. What that means is the '85 team averaged 22 points more per game than the 1981 Superbowl Champs. It also means that this year's team beat their opponents on the average of 49 points per game while the Superbowl predecessors won by 21 points per game. No wonder everyone thought they had the best team in the state!

The irony of this year's profile is the fact that up until the Natick game the Rebels were toppling their opponents like vulnerable dominoes. Their wins had scores that sounded more like basketball games. And then came Natick!!!! What happened? A chorus of confusion tried to nail a scapegoat: "Woodward was out"; "The passing game was off"; "the coaches lost the game", "the team failed to execute as they should."

According to Coach John Lee, fumbles and interceptions were serious symptoms that showed the team had slipped from its previous precision performances. "We turned it over six times (three fumbles, three interceptions), and six times against Natick is not going to get you there. You can't beat a good team like Natick when you do that." The coach also pointed out that the loss of Woodward early in the game allowed Natick to put double coverage on Murphy. Walpole's two top receivers had come to the game among Division 1 leaders in touchdown catches.

In spite of this crushing disappointment that destroyed hopes of a Superbowl appearance, it was an exciting season. In addition to Dave Murphy (as mentioned to the right), BSL All-Stars were: Matt Rodgers, Dan Nagle, Brian Woodward, Joe Betro, and Steve Hunter. Rodgers, Woodward, Betro, and Hunter were named as *Daily Transcript* All-Stars; Rodgers, Nagle, Woodward as *Patriot Ledger* All-Stars. *The Boston Globe* and *Boston Herald* picked Rodgers and Woodward as All-Scholastics. Dan Nagle was on the Shriner's All-Star Team.

Major team awards were: Most Complete Player — Dave Murphy; MVP — Kevin O'Connell; Leadership — Joe Betro; Most Improved Offensive Lineman — Rusty Minkwitz; Most Improved Defensive Lineman — Joe Nuzzolo; Unsung Defensive Player — Peter Glebus; Unsung Offensive Player — Kerry Kelley.

Shown to the right: Another great over-the-shoulder catch by Senior Co-Captain Dave Murphy, described by Coach Lee as "Probably the best all-around athlete I've ever had at Walpole." Dave was picked as All-Star by the Bay State League, the *Daily Transcript,* and Shriner's Team; All Scholastic by the *Boston Globe, Boston Herald,* and *Patriot Ledger;* and received the Pop Warner, Most Complete Player, and Butch Songin Awards to climax a terrific football career at WHS.

Three hundred shivering Porker fans sat under the floodlights in frigid 25° weather to watch their defending Division 1 State Champions lose to Dennis-Yarmouth 2-1 in the South Sectional Championship Game. The Porkers had defeated Needham in the quarterfinals and Stoughton in the Semifinals, following an impressive 18-0 record that gave them the Bay State League crown.

According to first year coach Lee Walter, "It's the bounce of the ball . . . is all it adds up to. And I think the Porkers have excellent futures ahead of them. They have many more games to play."

*Boston Globe* Player of the Year Co-Captain Hope Sanborn broke the WHS individual scoring record. She was described by Coach Walter as "A very dedicated and unselfish player, not interested in statistics, but in passing the ball to her teammates, all of whom respect her." Hope was named a Bay State, *Transcript, Patriot Ledger,* and *Boston* Herald All-Star, and the *Transcript's* MVP Player. Her coach added, "She has the best movements with the ball that I've ever seen."

The Porker's other Co-Captain Bernie Martel was also named to the *Boston Globe's* All Scholastic team. A Junior Olympic field hockey competitor, she was described by her coach as "A little machine who loves to play, having a strong stick." Bernie was a BSL, *Transcript,* and *Patriot Ledger* All-Star.

Other BSL All-Stars were Kim Lestan, Sheila Connelly, Linda Silvestro, and Susan Neuber, who were also named as *Transcript* All-Stars along with Lisa MacKenzie. Lestan was a *Patriot Ledger* All-Star and Neuber a *Boston Herald* All-Star.

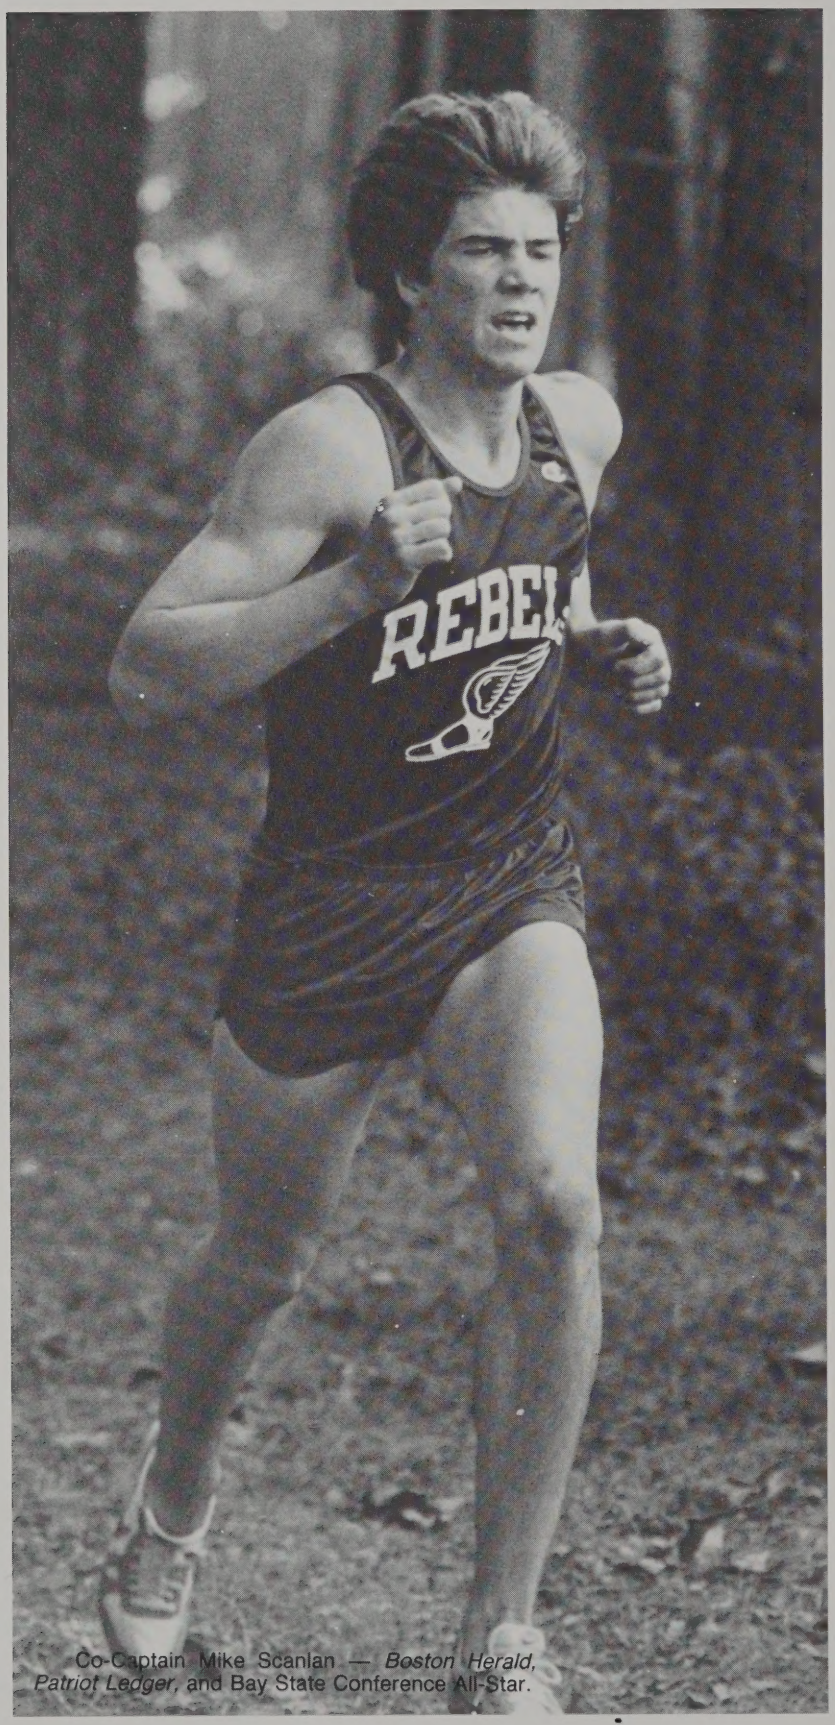
# CROSS COUNTRY



Co-Captain Mike Scanlan — *Boston Herald, Patriot Ledger,* and Bay State Conference All-Star.

The loneliness of the long distance runner comes not only during the race, but during moments after crossing the finishing line as well. You can shatter long held records, run on a swollen ankle, or fight a nagging cold to be first over the line. But unlike a Superbowl football game when the hometown wins, there are no screaming cheerleaders, no band playing "Dixie", no crowds bending planks in the stands. And yet, these runners continue to run with endurance and a mind set that made this year one of the finest for the cross country Rebels.

"Our strength is our overall depth," said Coach James Erker, now in his fourth year as the Rebels' Coach. "We have seven solid runners, and Mike Scanlan is clearly the best runner in the league." Winning the Eastern Massachusetts Meet qualified them for the All-State where they placed 7th in competition with the 24 finest high school teams in the state. Their 7th place finish moved them up nine positions over last year with a score of 265 points.

It was the kind of season coaches dream of: Bay State League Champs (9-0) and Eastern Massachusetts Division III Champs. They were also Catholic Memorial Invitational Division II Champs. Individual awards were equally impressive. In addition to Mike Scanlan, Gary Giffen was *Patriot Ledger* All Scholastic Bay State Conference All Stars were: Mike Morris, Mark Capparella, Gary Giffen, and John Nicholas. Team awards were: Mike Scanlan — MVP, David Feltquate — Coaches Award for spirit and sportsmanship; Mark Tibbetts — Most Improved.

The varsity team closed out its banner season with a two-day trip to New York City, competing as individuals with the best runners from the East Coast.

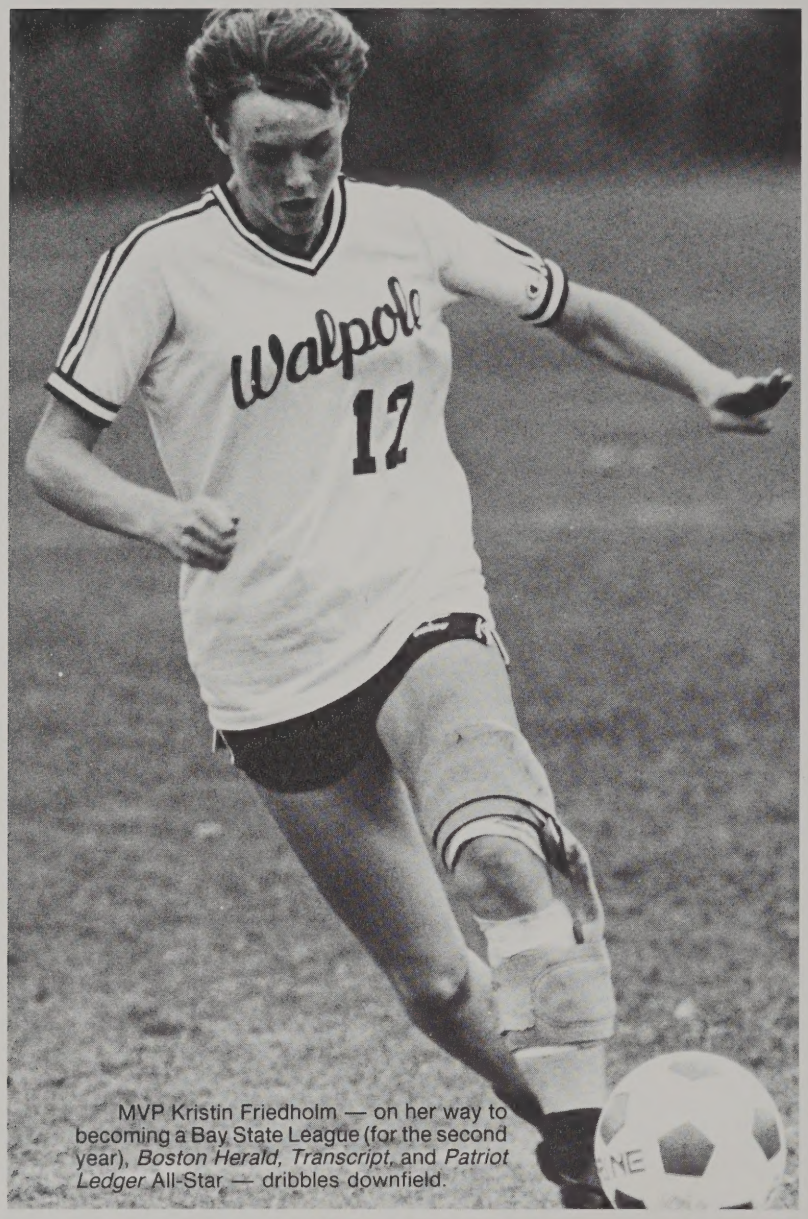
# GIRLS' SOCCER



MVP Kristin Friedholm — on her way to becoming a Bay State League (for the second year), *Boston Herald, Transcript,* and *Patriot Ledger* All-Star — dribbles downfield.

Although the team had defeated Oliver Ames in the first round of tournament action, a penalty kick goal by Needham eliminated Walpole from the South Sectional quarterfinals. Coach Tompkins disagreed with the officiating in general, especially the awarding of the penalty kick, and thought the team gave a spectacular performance. Said Tompkins, "It was a heartbreaking play. It's a game I'll always remember even though we lost. Overall the kids played their hearts out. Everyone who stepped onto the field played the best game of their lives." Goalie Eileen Dalton, Kristin Friedholm, Tricia Haynes, Christina DiGuisto, and Kathy Worton had top performances.

It was the finale of a very exciting year that saw this fledgling sport at WHS (5 years old) finish third in the Bay State League and ranked seventh in the Eastern Massachusetts Division I, qualifying for tournament play two years in a row, and ending the season with a 10-3-5 record.

Team MVP Kristin Friedholm, shown to the left, will travel to Europe for three weeks during the summer to play on the Greater Massachusetts Girls' Soccer Club in competition with world wide teams, participating in the prestigious Norway Cup, the largest youth soccer tournament in the world. Ranked the third best soccer player in the BSL this year, her Coach, Bill Tompkins said, "Kristin is the toughest person (male or female) that I have been associated with in my 13 years of coaching. She is an all-round player in physical, mental, and spiritual aspects. She is the best prospect for Division I College soccer to come out of our five years, and I'm looking forward to seeing her play in college games."

The *Patriot Ledger's* All-Scholastic list included BSL All-Stars Holly Ash and Cathy Collins; The *Transcript* named them All-Stars along with Co-Captain Patricia Haynes and Goalie Eileen Dalton.

# GOLF

The Rebels concluded the season with a strong finish in a very competitive league. Milton and Wellesley tied for co-champions, followed by Braintree, Needham, and Walpole. Each BSL team sent their three best players to compete in the Bay State League's All-Conference Meet in October at Dedham. The top nine finishers were named All-Stars, among them Walpole's three entries — Jeff Palleiko, Scott Trethewey, and John Kelley.

Scott Tretheway (80), Jeff Palleiko (83), and Bob Travers (87) competed in the Annual State Individual Qualifying Round at the Easton Country Club on May 27, 1986. Scott was one of the eight who qualified, and played in the state tournament at Chicopee Country Club on June 2.

Expecting a lot of progress in the off season from his returning golfers, Coach Jim Lind said, "We should have a pretty decent team next year."

Although hurt by losing five seniors to graduation, the Volleyball team opened the season with a two-set victory over visiting Needham. Junior Donna Bollino, the best server on the team, was a major factor in the win. Also a key during many volleys, putting away several points at the net, was Co-Captain Sheila Hollowell, whom Coach Peter Turco described as being very consistent with good hustle. "She's a good digger, not a bad spiker, an excellent bumper, and a pretty good server," said Turco. No wonder she ended up as MVP and as both a BSL and *Daily Transcript* All-Star.

Following this upbeat beginning, the girls had several setbacks, but never lost their determination, ending the season with 8 wins and 10 losses, a sixth place finish in the Bay State League. In addition to Sheila Hollowell, awards were earned by Kim Clarkson — BSL and Transcript All-Star and Donna Bollino — *Transcript* All-Star and Most Improved Team Player. With a strong JV team in the wings, the Rebels look forward to a winning season next year.

The Walpole Boy's Soccer Team finished the season in strong fashion in compiling its record of 8 - 9 - 1. Late in the season with their record at 4 - 8 -1, it would have been easy for the Rebels to pack it in. But a late surge led by strong defense and timely scoring put the team on a 4 game winning streak. During this streak, the Rebels upset Wellesley and Dedham on their home fields, which not only directly knocked these two teams out of tournament play, but also avenged earlier losses to these bitter rivals. Said Coach Delaney, "Team character and pride directly attributed to the late season success of the Rebels."

Individually, seniors John Devine and Jim Shaughnessy turned in banner seasons. John played outstanding all-round soccer throughout the season, mainly being the backbone of a young defense. Jim, besides being selected as a BSL All Star, broke an 18-year-old scoring record set in 1967 by former REBEL Al Barrett, scoring 16 goals in the 18 game schedule. The graduation of these two plus the other six seniors will sorely be felt.

# HOCKEY

For the Rebels it was the "possible" dream as they suited up for their opening round in the state tourney against Silver Lake Regional High (14-4-1) at Northeastern University's Matthews Arena. But the "possible" turned "impossible" when the Don Quixotes were unseated not by windmills but by the Silver bullets. The final score was 3-2 which ended the season for the aspiring Rebels, but it wasn't for lack of trying that the Rebels were forced to hang up their skates so early in the tourney. In fact, they strafed Silver's net with 37 shots, but Silver's goalie, Fred Abraham, was a jack-in-the-box, coiling and recoiling, begrudingly giving the rite-of-passage to only two Rebel pucks.

But what a season it was for the Rebels! The team had won 75% of their games to qualify for the state tournament, the second time in five years under Coach Ed Kirrane. (The last tournament appearance was in the winter of '81/'82). For the season's record they scored 113 goals for and only allowed 41 against. With Jim Shaughnessy as the team's emotional lifter and Brian Woodward as the physical lifter, the Rebels were highly motivated. Of Shaughnessy Coach Kirrane said, "He has all the confidence in the world. He's a hard worker. He never quits. He gets the rest of the team to think positive." "Woodward has more of a hyper attitude." said Kirrane. "He sets the tempo of the game with his physical checking." Kirrane added, "The kids are developing confidence. They're just playing good, sound, team hockey."

Both Shaughnessy and Woodward were named BSL All-Stars along with Bill Innocent, Scott Meehan, and Greg Cuoco. Shaughnessy was the team's high scorer and third top scorer in the league with 26 goals and 24 assists.

Shaughnessy was given the MVP, Mike Milbury, and Boosters Awards. Other awards were: Kerry Kelley — Coaches; Bill Innocent — Best Defenseman; Scott Meehan — Unsung Hero; and Tim Chambers, Seventh Player Award.

It was a freeze-frame moment in Worcester's Centrum as 3,000 fans sat breathless in the stands. Eyes were fixed on Carla Smith, senior guard for Monument Mountain High as she stood at the foul line and set her sights on the basket. In those split seconds before the throw that would decide the game, these two undefeated teams, both with 23-0 records, tensed for the final frame, the denouement. Two years ago in this same gym, these two schools had faced each other in the same contest to decide the Division 2 State Championship. In '84 Walpole won the crown with an impressive 56-24 win.

Smith arched the ball skyward — the game was over — 54-55. The pressure that had built before that final throw exploded — wild screams and euphoria for Monument Mountain - uncontrollable sobs and heartbreak for the Rebels. Walpole had lost to the team in the Central/Western Division that had been the only undefeated team of either boys or girls when they walked through the Centrum door to face Walpole. They left with that record intact.

Coach Brainard seemed justifiably upset by the outcome of the game. "I know it sounds like an excuse, but it shouldn't come down to this — in a championship game. The fouls completely changed the complexion of the game. They won the game with their rebounding and foul shooting."

After a perfect league season ending as BSL Champions, the Rebels were extremely well prepared for tournament play. Only one other team in the BSL (Needham four years ago) could boast of such an accomplishment. The Rebels continued to dominate each opponent as they played their way through the South Sectional tournament, beating Nauset, Seekonk, Franklin, and Foxboro to earn the crown. In defeating Belmont (53-45) they were the Eastern Massachusetts Champions.

In addition to MVP Hope Sanborn, players receiving awards were: BSL All-Stars — Diane Hughes, Sheila Connelly; *Patriot Ledger* All Scholastic — Diane Hughes, Meghan Sullivan; *Daily Transcript* All Scholastic — Diane Hughes, Meghan Sullivan, Sheila Connelly, Karen Kiss, Maribeth Connolly. Team awards went to: Renee Buckman (Spirit), Sheila Connelly (Unsung Hero), Diane Hughes (Coaches), Bernie Martel (Outstanding Defensive Player), Maribeth Connolly (Sixth Player Award), Karen Kiss (Most Improved).

The Rebels won't get their picture taken with Governor Dukakis this year, but as far as their supporters are concerned, they're a picture-perfect team.

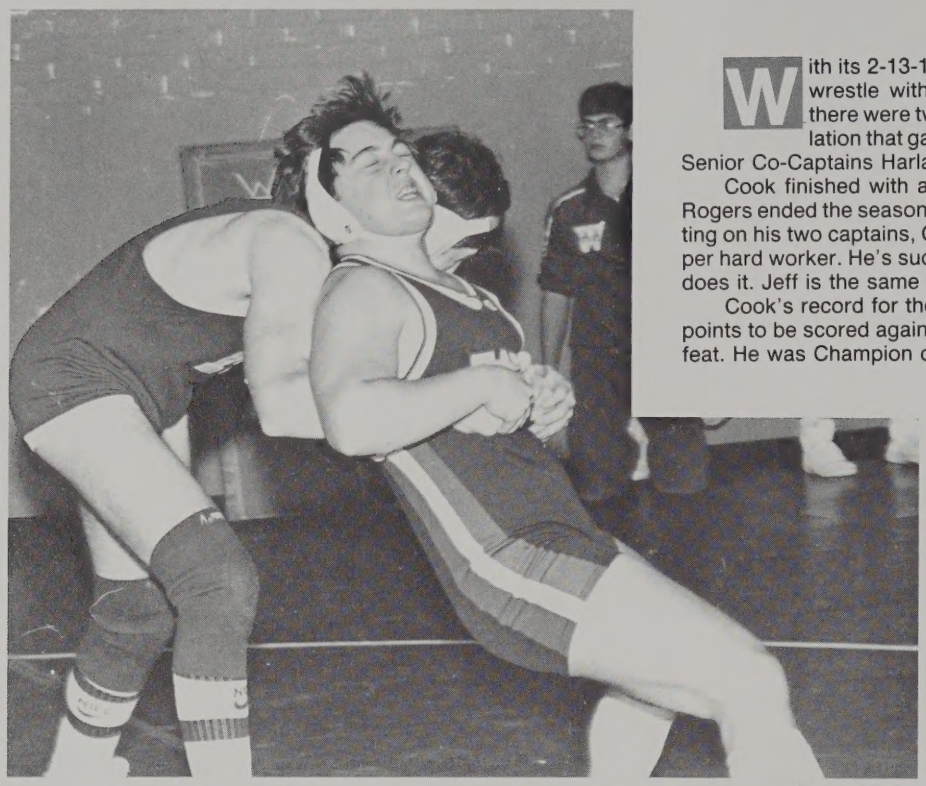
# WRESTLING



With its 2-13-1 overall record (0-8-1 BSL), the team had to wrestle with depression more than anything else, but there were two bright stars in an otherwise bleak constellation that gave the team something to pin their hopes on: Senior Co-Captains Harland Cook and Jeff Rogers.

Cook finished with a perfect record (20-0) at 128 pounds while Rogers ended the season with 7-3-1 in the 147 pound class. Commenting on his two captains, Coach Doug Cameron said, "Harland's a super hard worker. He's such a leader. He knows what he has to do and does it. Jeff is the same way. It's great to have them on the team."

Cook's record for the year was outstanding. He allowed only 10 points to be scored against him for the entire season — an incredible feat. He was Champion of the Bay State League Conference Meet's 128 pound division and voted Outstanding Wrestler in that tournament. In the Division II South Sectional Tournament, he placed second, and advanced to the State Meet. Co-Captain Jeff Rogers took a third place in the BSL Conference Meet while Brian Christy (134 lbs.) took second place for Walpole in his division. Peter MacKay (169 lbs.) clinched third in the Bay State League Tourney. The only other Rebel to place in the South Sectional was Brian Christy who captured the third place spot. Others competing were: Rob Murphy, Steve Cherella, Jeff Cook, Jeff Rogers, Scott Silvi, Peter MacKay, Kevin Tracy, and Art Hurd.

# BOYS' BASKETBALL

The Rebels opened the hoop season with a win over visiting Dedham, and ended with a win over Framingham North. They placed fifth in the BSL with a record of 6-12. Hurt hard by graduation, the team had to play without a superstar like Mark Langmead (WHS '84) and John MacPhee ('85). They were also hurt by injuries such as Co-Captain Peter Doyle's knee injury. A major loss for several weeks in the middle of the season was Co-Captain Kevin O'Connell, who developed pneumonia, probably resulting from his attempt to rescue two skaters who had fallen through the ice on New Pond.

Said Coach Dick Sizer after suffering his sixth straight defeat, "My players give 110%. It's certainly not a lack of effort from the players and for that I'm proud of them." O'Connell, who had been the team's leading scorer before his illness, was described at the beginning of the season as "the best pure shooter in the league, having tne NBA 3-point range." Sizer was very proud of his underclassmen, who filled in with some great performances. Sizer added, "This is a gutsy team. They just don't want to quit. They have an awful lot of pride."

O'Connell's return had a steadying influence for some of the younger players", said Sizer. He felt they had been showing continued improvement by outhustling their opponents. Sophomore Tim Collins, especially, seemed to improve with every game. Co-Captain junior Matt Rodgers was the best inside player, and was able to play any position if needed. Other underclassmen who proved valuable to the team were John Jordan, Scott Melanson, and Tom McMahon, holding forth hopes for a winning season next year.

Matt Rodgers, who played outstanding basketball all season, was a BSL and *Daily Transcript* All-Star, as was sophomore Tim Collins, who gave a fantastic show of how he has matured with experience by sinking an 18-foot shot with four seconds left on the clock to clinch a 59-57 victory in the Framingham South game, the next to last game of the season.

The team started out the season on an optimistic note, accomplishing what no other team had done in three years — beating Needham. Their eventual record — 6-2-1, placed Walpole in a tie for second place with Norwood, giving Natick sole possession of first place in the BSL. Said Coach James Erker, "We're really happy with our overall record. We were very competitive with Norwood and Natick, the teams which handed WHS its only losses." Actually, his team's record was the best showing (and only one better than a .500 record) of any WHS winter track team since the sport was organized and entered competition in the Bay State League in 1957.

Co-Captain Mike Scanlan and junior Mark Capparella both qualified for the All-State Meet at Harvard with Mike emerging as Class C State Champion Miler. The next difficult competition was at MIT, where Scanlan took second place in the mile and Capparella was ranked 13th in the two-mile. In competition with 450 athletes from the East Coast at the Eastern States Indoor Track Championships at Princeton University in New Jersey, Mike Scanlon won the unseeded heat in the mile run. Walpole's other entrant, Mike Rowe, finished fourth in the 1,000 yard race.

Completing his first season in the sport, football and baseball star Senior Dave Murphy was named MVP. In 300 and 50-yard events, he received an average of 8 points per meet, the equivalent of either a first or second place per meet. Sophomore Dave Rowe received the Most Improved Award for his competition in the mile and two-mile events. The Coach's award for outstanding team spirit, leadership, and sportsmanship went to Senior Mike Morris.

*Boston Globe* and *Patriot Ledger* All Scholastic, *Daily Transcript* and BSL All-Around All-Star Kim Lestan shows her strength and balance while doing a handstand on the uneven bars.

The 1986 season came to a close with the highest finish ever, fourth in the state finals. Coach Terri Thornton said, "It was the best team Walpole ever had. Scorewise we did more than I expected. The talents of Lestan and Russell are a rare find on a single team — they started the year ranked among the top five in the league. They are also very strong leaders in the gym, willing to help each other, leading by example. They're generous with their time with others."

The only goal the team fell short of was the BSL championship, placing fourth. They placed third in the South Sectionals, where Kim Lestan broke a school record with a 9.2 vault and Jill Russell scored a 9.0. At the State Finals, they placed fourth in competition with the top eight teams in Eastern Massachusetts. For the first time, three Walpole gymnasts qualified all-around for the State Individual Tournament. Lestan and Russell received injuries early in the contest, but Freshman Linda Sullivan placed fourth in the balance beam for a personal high of 8.3, seventh in vaulting with a 8.75.

Other records broken this year were: floor exercise 8.95 by Jill Russell and all-around 34.5 by Kim Lestan. Besides the honors received by these two senior stars, Linda Sullivan was named as a *Patriot Ledger* all-scholastic, *Daily Transcript* and BSL All-Star; Kerry Casey and Gretchen Bowers, *Daily Transcript* All-Stars.

At the final tournament, Terri Thornton was named "Coach of the Year" after being nominated by the other Bay State Coaches. This award recognizes Thornton for her success and service over the years in gymnastics. Her team established a school record for total points in a meet this year, 129.2. Said Co-Captain Lestan, "She encouraged a lot of freshmen to try out and worked especially well with all the underclassmen — that's what made the difference in our success this year." Co-Captain Russell remarked, "She worked hard, very hard with the freshmen. They improved every day. She helped me through four years with her determination and patience."

# BASEBALL

The Rebels' 11-7 BSL season record qualified them for tournament play which had eluded them the past two years by just one win. Tournament participation had been one of their goals at the beginning of the season, which they had started off on a positive note with four wins. Coach Bill Tompkins, in his eighth year with the Rebels, had enjoyed winning seasons the last five, and came back this year with an experienced team. Between them they put it all together and also finished the season with four wins.

To reach the quarter-finals, the Rebels beat Canton 7-3, and then went on to another win — 6-1 over Seekonk. They then faced a formidable contender in Norwell (18-4) at the Semi-Finals of the South Division II Sectionals. The game was close (4-2), but it was a day when Walpole just couldn't lay the wood to the ball. "We just didn't hit", said Coach Tompkins. However, in winning two tournament games, the team accomplished what no other Walpole team had been able to do in the last 40 years.

Gary Gallagher and Kevin O'Connell were BSL and *Transcript* All-Stars. Gary was also named a *Patriot Ledger* All-Scholastic. Peter Glebus was a *Transcript* All-Star. The team and Coach Tompkins have a right to be proud of their 1986 season.

A very deep and experienced team greeted Coach Tony Greene back for his eleventh year, the last five of which had seen teams reaching tournament status, a condition that would be repeated again at the end of the 1986 season, during which Coach Greene would also see his one hundreth win.

After a slow start (at one time their record was 3-3), the team finished the season 14-4, winning 11 of their last 12 matches. The Rebels won the opening round of the tournament convincingly with a 5-0 shutout against Cambridge Rindge and Latin. In the second round, they lost 0-5 to Concord Carlisle, a team that has remained undefeated for three straight seasons and been Eastern Massachusetts Champions for two straight years. Their team has several New England ranked players and one nationally ranked, so the Rebels can be very proud of their performance.

Every girl on the team had a winning record individually this year. Paula Murphy in first doubles posted a 17-1; Paula Nannicelli, won her last 12 matches as third singles with an overall record of 14-3; Stacy Loring, first singles player, posted an 11-7; Cathy Collins, second singles, 10-7; doubles players Beth Jacobsen (12-3), Lisa Gentile (10-3), and Kristen Bernier (12-3) added to the winning record.

"This year's freshman class was the best group I have ever had", said Coach Greene. With an abundance of sophomores also on the team, especially BSL All-Star Stacy Loring who will probably be ranked third in the Bay State League next year, Greene believes the 1987 league championship is within their grasp.

Walpole's 6-3 record was the finest since 1957 when outdoor track became a league sport. This outstanding spring performance follows a superior winter track season, when the Rebels also chalked up their most impressive indoor record — 6-2-1. Coach Jim Erker gives credit to the seniors who have been active on the team since they were freshmen. Said Erker, "All our victories are due to a terrific effort of a large senior group that has worked hard for four years."

Mike Scanlan was named *Patriot Ledger* All-Star, but several others helped the team throughout the season, and many gave commendable performances at special meets.

Mike won first place in the mile for the second straight year at the Coaches Invitational. Dave Rowe placed fifth. On the 3.30 low hurdles, Paul Giandomenico finished third to set a school record; and Dave Rowe and John Nicholas did well on the 880. In the Coaches Class C Relay, Walpole took third place in the 4 x 1 mile with Dan Sullivan, Mike Iovanni, Dave Rowe, and Gary Giffen. The Distance Medley team of Mike Rowe, Paul Giandomenico, Mike Morris, and John Nicholas took second place.

At the Eastern Massachusetts Track Meet, Mike Scanlan came in third to qualify for the All-State Meet where he also placed third to qualify for the Regional New England Meet. Mike also won the mile at the BSL Conference Meet where the team took second place, helped especially by Mike Rowe and John Nicholas who came in third and fourth in the 880.

Quarter miler Dennis Meehan was the team's high point scorer for the season and received its MVP Award. The Coaches Award went to sprinter John Devine; Most Improved Award was given to Miler Mike Iovanni.

Several Rebel records were set this spring by Meehan, Sullivan, Giandomenico, and Scanlan in the Mile Relay; by Giandomenico in the 330 low hurdles; by Scanlan in the two mile and one mile; by Devine, Shinnick, Murdock, and Pratt in the 440 relay.

# SOFTBALL

Sporting an 11-7 season's record and placing third in the Bay State League, the girls looked forward to tournament play. It had been an exciting season, starting with the opening day game, which Walpole won over Needham 3-2 in extra innings. Senior Linda DeMichele drove in the winning run with a drive up the middle that allowed Holly Hoyt to score. Sophomore pitcher Tracey Smith struck out eight batters and walked three. She was praised by Coach Peter Turco for not getting rattled in the pressure-packed game.

In the tournament opener, Walpole downed New Bedford 15-6. But on the next stop in tourney play, the Norwood nemesis took over. In their two contests with the Norwood Mustangs during the regular season, Norwood had edged out the Rebels (2-0, 2-1). But the last challenge that would end the season for the Rebels came in the first-round of the tournament game when the Mustangs would trump the Rebels with a 11-3 victory that left little double about their championship calibre.

Seniors Co-Captain Janice Cole and Hope Sanborn were named Bay State League All-Stars for their superior playing during the season.

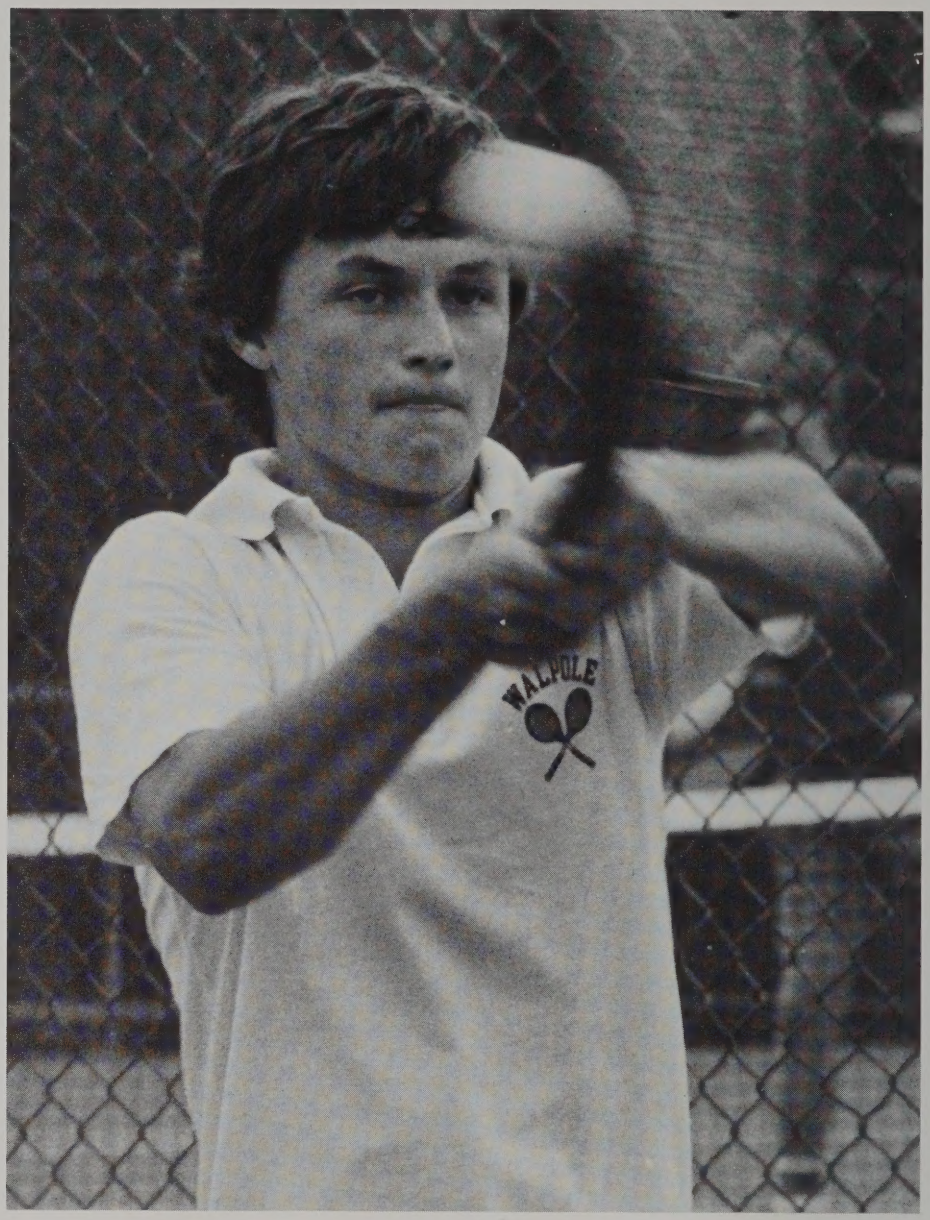
# BOYS' TENNIS



Beating Norwood in any competition is especially satisfying, but it was doubly so when the boys' tennis team closed its season with a 4-1 win over its arch rival, resulting in a fourth place finish in the BSL and qualification for the state tournament for the first time in over 20 years. First year coach Barry Greener had coached his team to the best record ever at WHS (11-7). Scott Jacobsen, the only BSL All-Star on the team, also chalked up the best record for a first singles player (11-7) in the Rebels' history. This included a three-hour match with Jeff Kott of Wellesley in a tiebreaking third set which Jacobsen won by a 20-18 score.

Unfortunately, in the opening round of the tourney action against Lincoln Sudbury, the Rebels were eliminated from further competition by their 0-5 loss. It would have been nice to move to the top of the ladder, but just getting on the first rung was no small feat for a sport that often resigned itself to the cobwebs in the cellar. "The team was happy just to be there." Greener explained. "Every kid played to win," he said. "Nobody stopped hustling. They fought hard and I was proud of them. The kids had a very good year. They have a lot to be proud of. They worked hard in practice. It was a good season all-around."

Senior Scott Jacobsen was MVP; sophomore Robbie Walsh, Most Improved. With the tourney appearance behind them and so many experienced players returning, the team certainly has an reason to look forward to a bright future in 1987.

The fact that they were the only team in the BSL to come close to beating league champion Dedham (a tie), set the Rebels apart as one of the most powerful teams this season. They sported a 6-2-1 record, losing only when shorthanded due to injuries. "The team showed a lot of depth and improvement," said Coach Elaine Fink-McAlice. In special meets, their strength showed through in several categories, gaining them great respect.

At the Eastern Massachusetts Track Meet, where the team placed fifth overall, Senior Kim Lestan set a school record and qualified for the All-State Meet by placing second in two events, the 100 meter and triple jumps, but could not compete because of foot surgery. Freshman Anne Gamache also qualified with a second place finish in the 200 meter, but did not place at the All-States, although she did win in the semifinals.

In the State Coaches Invitational, Gamache placed second in the 200M to set a new school record; Cathy MacDonald, Stephanie Nixon, Linda Silvestro, and Lestan placed fourth in the 4 x 110. Team members Kim Hurd, Nicole Tardie, and Kristen Friedholm placed sixth in the shot put; Kim Robinson, Gamache, and Friedholm fifth in the long jump; and Gamache, Holly Ash, Lestan, and Friedholm third in the Spring Medley Relay at the State Track Relay Meet. Twenty certificates were earned at the BSL Conference by team members who placed first, second, third, or fourth in the 100 and 200 yard dash, 4 x 110 relay, 2-mile, 300M hurdles, javelin, shot put, long jump, and triple jump proving the overall effectiveness of the team. Lestan tied a school record in the 100 yard dash and Gamache set a new school record in the 200 yard dash.

# NATIONAL HONOR SOCIETY

This year the National Honor Society's annual induction ceremony took place on May 28, 1986, at 7:00 p.m. in the Walpole High School auditorium. Mr. Thomas Joy led the Class of 1986 in its welcome to and induction of the Class of 1987.

Following the ceremony, refreshments were served in the cafeteria where relatives and friends met to congratulate the new inductees.

Walpole Players presented "Tender Lies" on December 19 and 20, 1985, to small, but appreciative audiences. It is the story of a small town boarding house run by Arlo, a cripple, who is a very compassionte man, trying to help his tenants with their various problems. Veteran actors Dana Moreshead, Chris O'Hare, and Barbara Wilson were excellent in their parts. Kristen Ferrara proved herself star material, and Tracey Hogan was very effective in her Spanish speaking role. Dean Calusdian also did well. Rob Murphy is to be commended for his last minute undertaking of the policeman's role.

All in all, those not in attendance missed a fine play.

# FOREIGN LANGUAGE CLUBS

## Spanish

The Spanish Club plans to visit some Spanish-speaking country every other year. Since Spain was visited in the spring of 1985, the next scheduled trip will be in 1987. In the meantime, members are active in fundraising to help with expenses. Shown above are front row: Gail Verderber, Shaleen McCarthy, Lisa Trundley, Susan Keefe, Christi Collins, Erika Cervasio, Lynne Fasanello, Kelly McColgan, Deborah Calusdian, Patricia Wiggin, Robert Murphy, Michael Harney, Gerald McElhinney, Stephen Puopolo; second row: Michelle Perchard, Jon Friedholm, Amy Letscher, Advisor Mr. George Watson, Claire Shiels, Shawn DeRosa, Thomas Bates.

## French

The French Exchange program involves the correspondence between Walpole High School students and students of a high school in St. Cloud, France who are matched up according to their interests by Advisors Ms. Charlotte Cole and Ms. L. Floy Miller of Walpole and Madame Richard from St. Cloud. During alternate summers, they exchange visits, living one month with a family of another culture to become familiar with their way of life and improve their foreign language skills.

During the summer of 1986, Walpole students are visiting France. In 1987 their French friends will travel to Walpole to enjoy the American customs.

The purpose of the Latin Club is to "pass on the torch of classical civilization" to today's youth by means of entertaining, yet educational activities. This year a scavenger hunt was held in November and a Saturnalia Party in December. In February a trip was taken to the Museum of Fine Arts in Boston, followed by the observance of Classics Day in March.

On May 13, the Annual Roman Banquet was held, allowing the students to recreate the sports and entertainments of the ancient Romans. During the highlight of the evening, the Chariot Race was won by the team of Harland Cook, Scott Melanson, and John Reardon, outdistancing the chariot of Colleen Callahan, Lynne Fasanello, and Rachel Lueth by 30 yards. Cook, Melanson, Reardon and Jay Medailleu won the boys' relay; Meghan Sullivan, Christi Collins, Karen Collins, and Kristin Friedholm, the girls'. Other Olympic events were the grape toss, slave-master race, and the water balloon contest. The most elegantly dressed noble was Colleen Callahan; the best dressed slaves, Tracie Barnes and Michael DeConinck.

# RADIO STATION

With Mr. Edwin Page as advisor, WSRB started the year by broadcasting football games and providing country, rock, and easy listening music during different times of the day. Plans to broadcast basketball games and hockey scores were made, but soon problems arose with the obsolete equipment. James Murphy from WHDH, Ron Hurst a WRKO newsman, and Steve Callahan from WEAN, lent their expertise to students Tom Norden and Paul Taglione.

After some renovations which included heightening the antenna, rewiring the studio, and replacing the turntables, the station was back on the air covering selectman's meetings in addition to its regular programming. The long term goal is to complete the unfinished broadcast studio, shown in the original plans as a companion to the production studio which now serves both functions.

# SADD

Students Against Driving Drunk, SADD, was set up in May, 1982, by Mr. Robert Anastas, Director of Health Education at Wayland High School, and became a national organization a few days later. Its goals are: to help save lives; to educate students about the problem of drinking and driving, including laws in their state; to develop peer counseling about the use of alcohol; and to increase public awareness and prevention of drinking and driving. Shown above are representatives of the WHS Chapter of SADD; front row: Melissa Twiss, Susan McBride, Jeffrey Mann, Amy Willey; second row: Leo Bulavko, Stephen Tyner, John Stuhlfire, Patricia Saia, Kristen Collins.

# ACADEMIC DECATHLON

Although the organization has been active in Massachusetts since 1983, this was the first year that Walpole High School competed in the Academic Decathalon competition which is designed to bring scholars into the spotlight usually reserved for athletes.

After three months of preparation and two of competition, WHS placed eleventh in the state. General areas covered were: Math, Science, History, Economics, Grammar, Literature, and Immigration. The following students received bronze medals: David Feltquate (interview, science); Gary DeMotte (essay); and Leo Bulavko (history).

Shown below are: front row: Gregory Tracy, Christopher O'Hare, John Stuhlfire, Paula Nannicelli; back row: Scott Silvi, Advisor Mr. Charles Hardy; not photographed: Gary DeMotte, Leo Bulavko, Ronald Cervasio.

# MATH TEAM

New popular in every state in the country, Math League competitions have been held in Massachusetts for more than 30 years, with 175 schools and 3,000 students now actively participating.

Although they did not advance to state competition this year, Walpole High School's Math Team placed fourth in a field of 16 teams comprising the Southeast Massachusetts Math League. Membership was at an all-time high at 28. Bruce Sacerdote with 63 points was the leader, tying for third place among all seniors in the league. Other high scorers were: Seniors — Kevin Giffen, Sheila Hollowell, and David Feltquate; Juniors — Mark Capparella, John Stuhlfire, and Michelle Weber; Sophomores — Bonnie Belanger (third among sophomores in the league) and Erika Cervasio.

Shown above are: front row: Edward Prebble, Mark Capparella, Erika Cervasio, John Stuhlfire, Kevin Giffen, David Feltquate, Amy Letscher, Sheila Hollowell, Bruce Sacerdote, Jennifer Crowell, Leanne DeMars, Michael Harney, Michelle Weber, James Raker; second row: Kellie McColgan, Melissa Walsh, Kristen MacDonald, Steven Montal, Heather Macchi, Advisor Mr. Anthony Greene, Bonnie Belanger, John Belcher, Lynn Fasinello, Daniel Merriken, Christopher Langmead.

With the music of Flip Side Records and Tapes of Norwood playing in the background, the Prom was held at Demtri's Red Snapper Function Hall, close to home on Route 1 in Foxboro, on April 18, 1986. Couples began arriving at 6:15 p.m. for picture taking by Mare Studios, followed by a full course roast beef dinner. The theme song "Wonderful Tonight" described the festivities as dancing became the main attraction from 8:00 p.m. to midnight, interrupted only for the presentation of Queen Kim Foley and her court.

The annual appearance of Cinderellas and Prince Charmings who had shed their everyday clothes for the glitter of this yearly highlight was again an enjoyable prelude to the final days of another school year when juniors and seniors both enjoyed the experience of this fantasy-like event.

# OUTTAKES

Some of the most popular shows on TV are the "bloopers" or "outtakes" that are thought unsuitable to be included in the final production or, in this case, the final publication. Because of their popularity on TV, the REBEL staff thought they would be just as popular in the '86 yearbook. They remind us again that comic relief is as necessary as the more serious disciplines of academia.

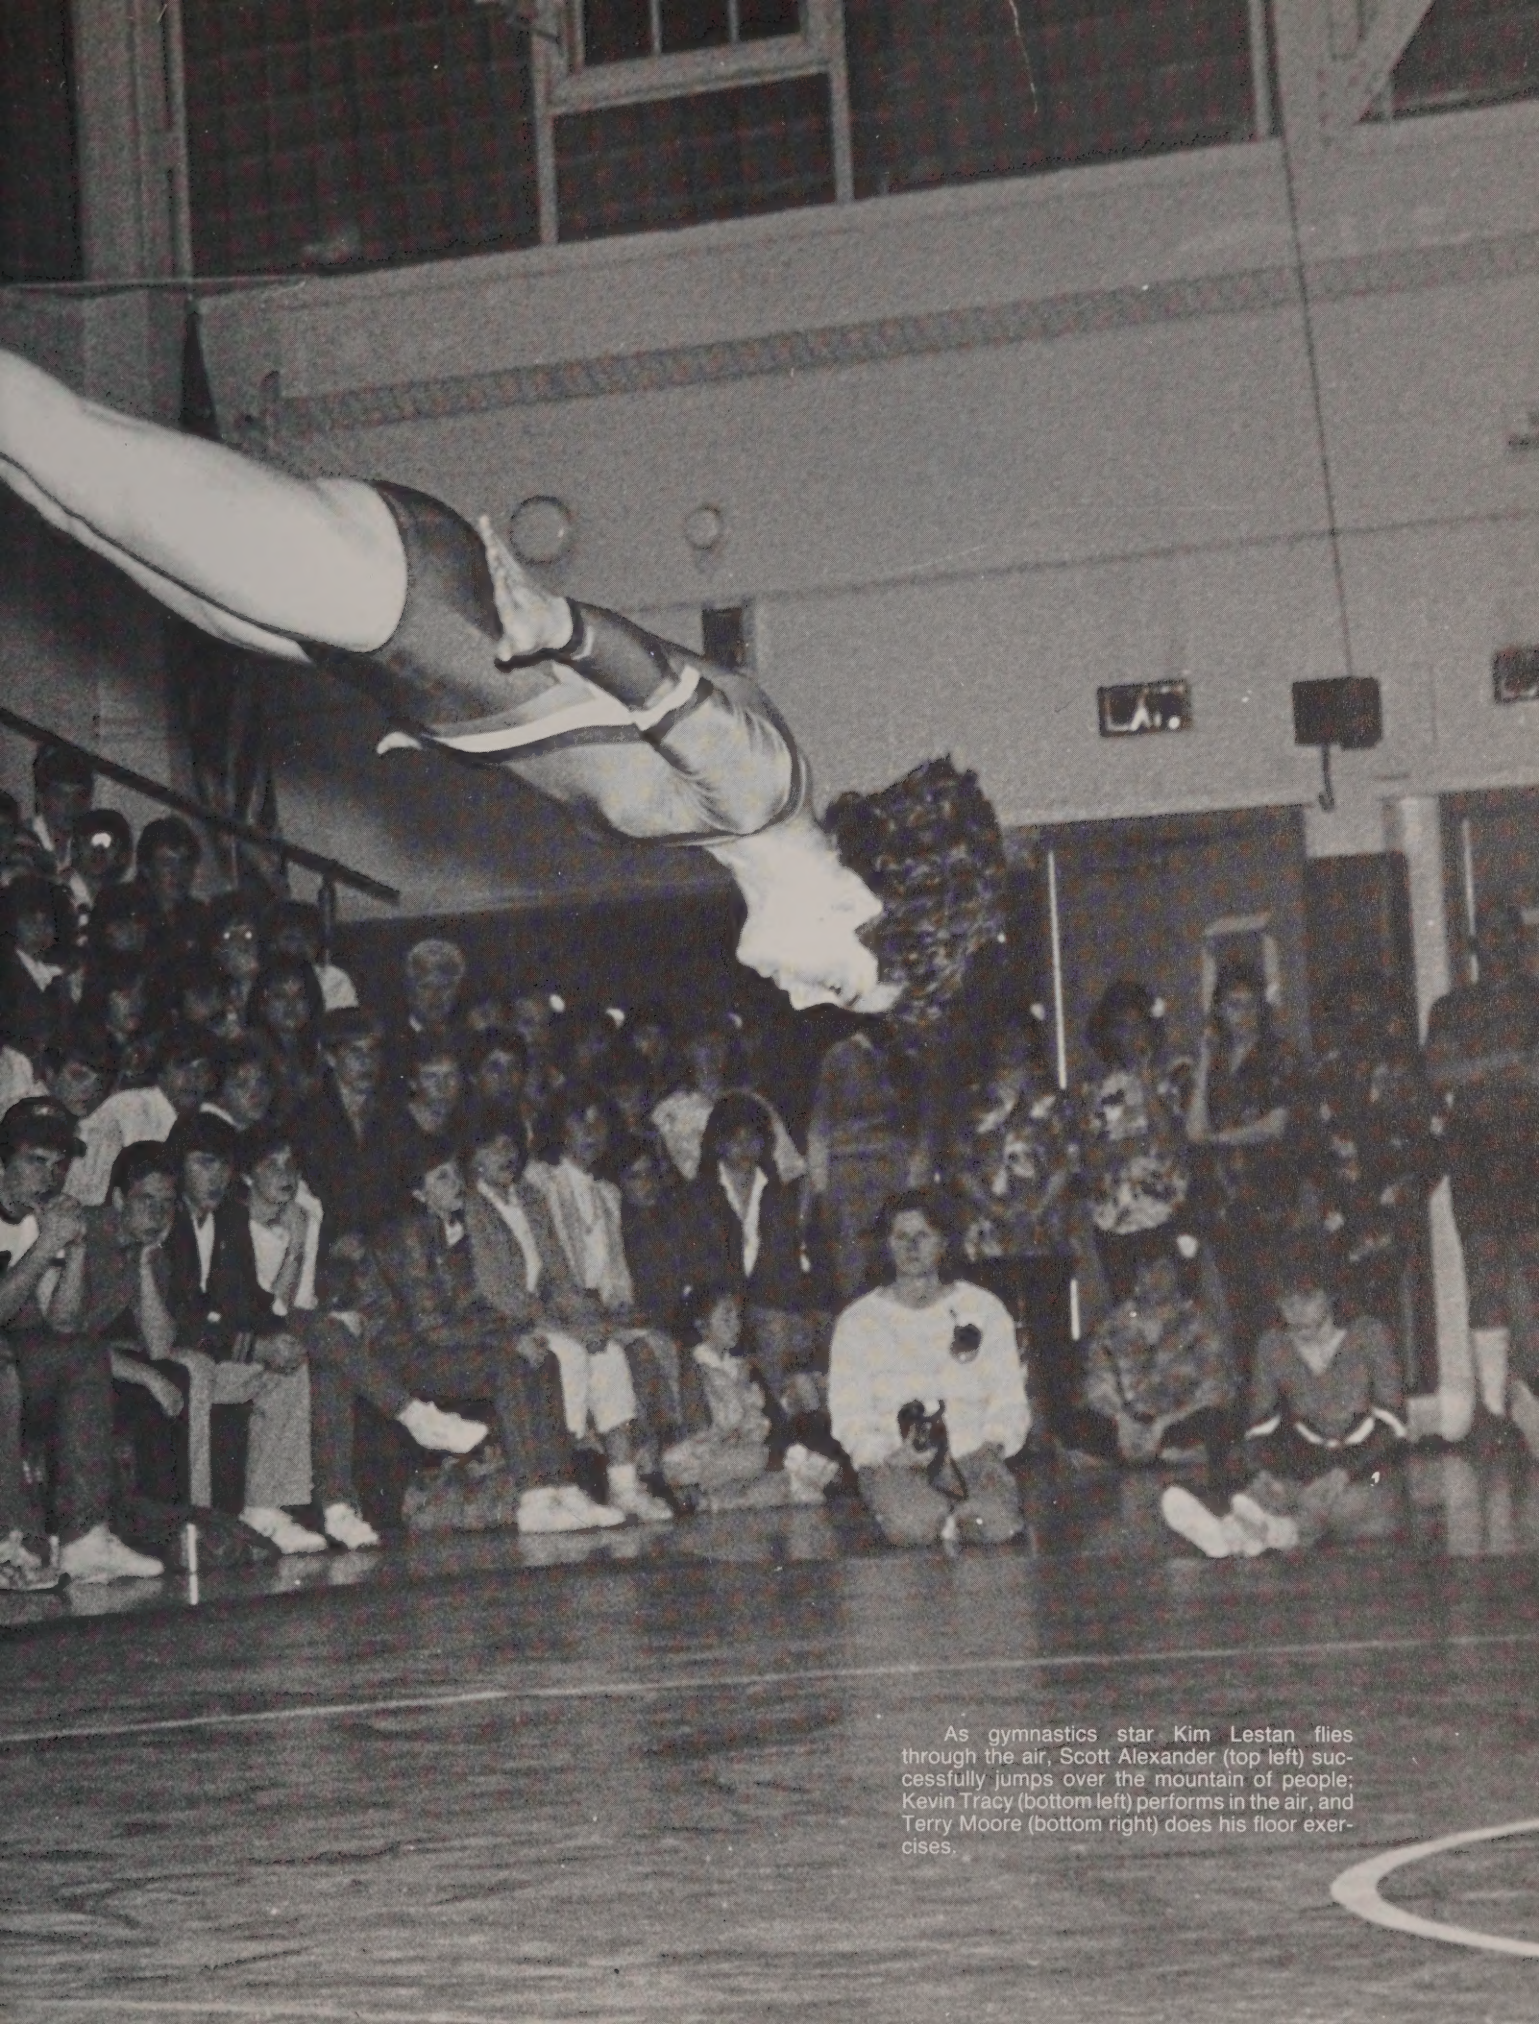
# GYMNAESTRADA



As gymnastics star Kim Lestan flies through the air, Scott Alexander (top left) successfully jumps over the mountain of people; Kevin Tracy (bottom left) performs in the air, and Terry Moore (bottom right) does his floor exercises.

The gymnastics team, along with 47 other students, performed in the Tenth Annual Gymnaestrada on March 26, 1986. Included in the program were many exercises following olympic requirements by both men and women. The girls gymnastics team and 15 boys created 12 different pyramids using different partners in each one. These require much concentration, memorization, strength, and balancing capabilities of participants. The rapid fire vaulting and tiger leaping (when Kevin Tracy held the weight of 6 other boys) were very exciting. In the triple balance, Harland Cook, Robert Mucciaccio, and Linda Sullivan made 9 different types of pyramids.

The finale included the Tableaux where 11 boys painted silver (Joe Betro, Peter Doyle, Peter Glebus, Keith Hogan, Kerry Kelley, James McDonald, Mark Manning, Terry Moore, Dave Murphy, Kevin O'Connell, and James Vincenzi) portrayed statues depicting a variety of themes. During intermission 23 girls entertained the audience with the dance "Conga".

Below: Cast of *Guys and Dolls* who were aided by the Pit Orchestra of Sherri Gardner (piano), John Coffey (percussion), directed by Mr. Gaston Malloy.

Walpole High School presented *Guys and Dolls*, its first musical since 1971, on April 10 and 11, 1986. This musical comedy fable of Broadway, written by Damon Runyon with music by Frank Loesser, was directed by Mrs. Diane Hudson, assisted by Mrs. Catherine Connor-Moen, Vocal Director; Mr. Gaston Malloy, Pit Orchestra Conductor; and Ms. Marcy McLaughlin, Choregrapher. The student production staff consisted of Chris O'Hare (director), David Thwing (technical director), and Dan Moreshead (art director).

Major roles were played by Eric Lighbody as Nathan Detroit, the harassed operator of a floating crap-game; Theresa Curran as Miss Adelaide, his "doll" who has been engaged to him for 14 years and has developed a permanent pychosomatic cold out of anxiety about getting "that plain little band of gold" from him eventually; John Stuhlfire as Sky Masterson, so named because the sky is the limit to his betting; and Kristen Amman as Sarah Brown, the Salvation Army lass who tries to save the souls of all the sinners in the neon-lit area.

Theresa seemed to steal the show, especially with her "Adelaide's Lament" song. Another highlight of the evening was "Marry the Man Today" which she sang with Kristen. The acting of both of these actresses was superb as was the high quality of their singing. Eric Lightbody and John Stuhlfire also acted very convincingly in their parts, giving the audience many moments of enjoyment musically as well.

Contributing exceptional performances which helped add to the total success of the production were: Shawn DeRosa as the gambler Nicely-Nicely Brown; Mike Marchionda as Big Jule; Jennifer Morse as Arvella; Janine Susi as Mimi; Paul Smith as Harry the Horse; and the Latin Dancers, Scott Alexander and Tanya Orlando. Other important roles were played by: Jeff Kerr, Dyan Sandahl, Lisa Trundley, Stephen Tyner, Dean Calusdian, Barbara Wilson, Rob Murphy, and Nancy Agabian.

Since this offering was so well received by the public, it is hoped that presenting musicals will now become an annual tradition.

The Red Cross tallied 97 pints of blood at the end of the school day on March 25, 1986, to make it the most successful WHS Bloodmobile in its nine-year history. Members of the student council, sponsors, helped in a variety of ways — registering donors, taking temperatures, working in the canteen. Mr. Gardner arranged a display case, Mr. Newbauer printed thank you notes for participants, and Miss Barr baked a cake for the door prize, won by Steven Burke.

# THE YAWNERS' SOCIETY

Usually he works on the night shift, but increasingly he seems to be working overtime — around the clock in fact. The daytime pictures on this page are exhibit "A" as to how effective the insidious Sandman is. His bulging night shift bag seems to have a big enough surplus to invade the classrooms of Walpole High and sprinkle healthy doses of the nocturnal dust. Some stubbornly resist his tactics. Others slump subtly behind an open book mimicking the thoughtful students; while others openly surrender to shamelessly become casualties without any resistance whatsoever.

There may be a lot of legitimate reasons for pulling down the blinders and sipping the gift of Lethe: "I had to work late last night," "I had a big exam and had to burn the midnight oil," "There was a big fire next door and I couldn't sleep." Whatever the reason, all who yield to the Sandman's strategy agree: "It's a great way to leave school without having to sign out."

# GRADUATION

For the Class of 1986 it was a once-in-a-lifetime experience. Never again would these graduates be together on this same field. Never again would they march to the strains of *Pomp and Circumstance* to receive their high school diplomas. Never again would they take their seats, framed by the class motto "Today We Share Our Dreams. Tomorrow We Live Them." The class listened while four former graduates whose dreams had come true were inducted into the Hall of Fame by Principal Lester H. Burch. The uniqueness of the moment was reaffirmed — their dreams would be as diversified as the individuals who dreamed them.

But for a brief span of time, one dream hovered over Turco Field. The 265 graduates shared the hope that their missing member, seriously injured Kerry Kelley, would get well. But dreams, shared or otherwise, are only the prelude to reality. In spite of past disappointments or successes, new dreams must replace the old — they are the incentives that stir us to climb.

As members of the Class of '86 left the ceremonies, their mood brightened; they were on their way to catch the one-in-a-lifetime opportunities that would make *their* dreams come true.

HALL OF FAME

*Elizabeth M. Perkins (Elizabeth Kunde) - Class of 1919*
Has had an illustrious career in nursing and health care administration

*David W. Kelley - Class of 1926 (Died January, 1986)*
Recognized as a legal expert on highway safety, automobiles, and medical malpractice, very often appearing before the U. S. Supreme Court.

*Sr. Mary Paula Manning (Gertrude Manning) Class of 1929 (Died in 1976)*
Taught mathematics at the College of Notre Dame in Maryland, where she was also a trustee, spending the last years of her life designing and perfecting the process of computerized printing.

*Martin J. Coyne, Jr. - Class of 1970*
Former administrative Aide for the Town of Walpole who is now Director of Scheduling and Advance for First Lady Nancy Reagan, serving as liason between the White House and the various localities on her itinerary, both domestic and foreign.

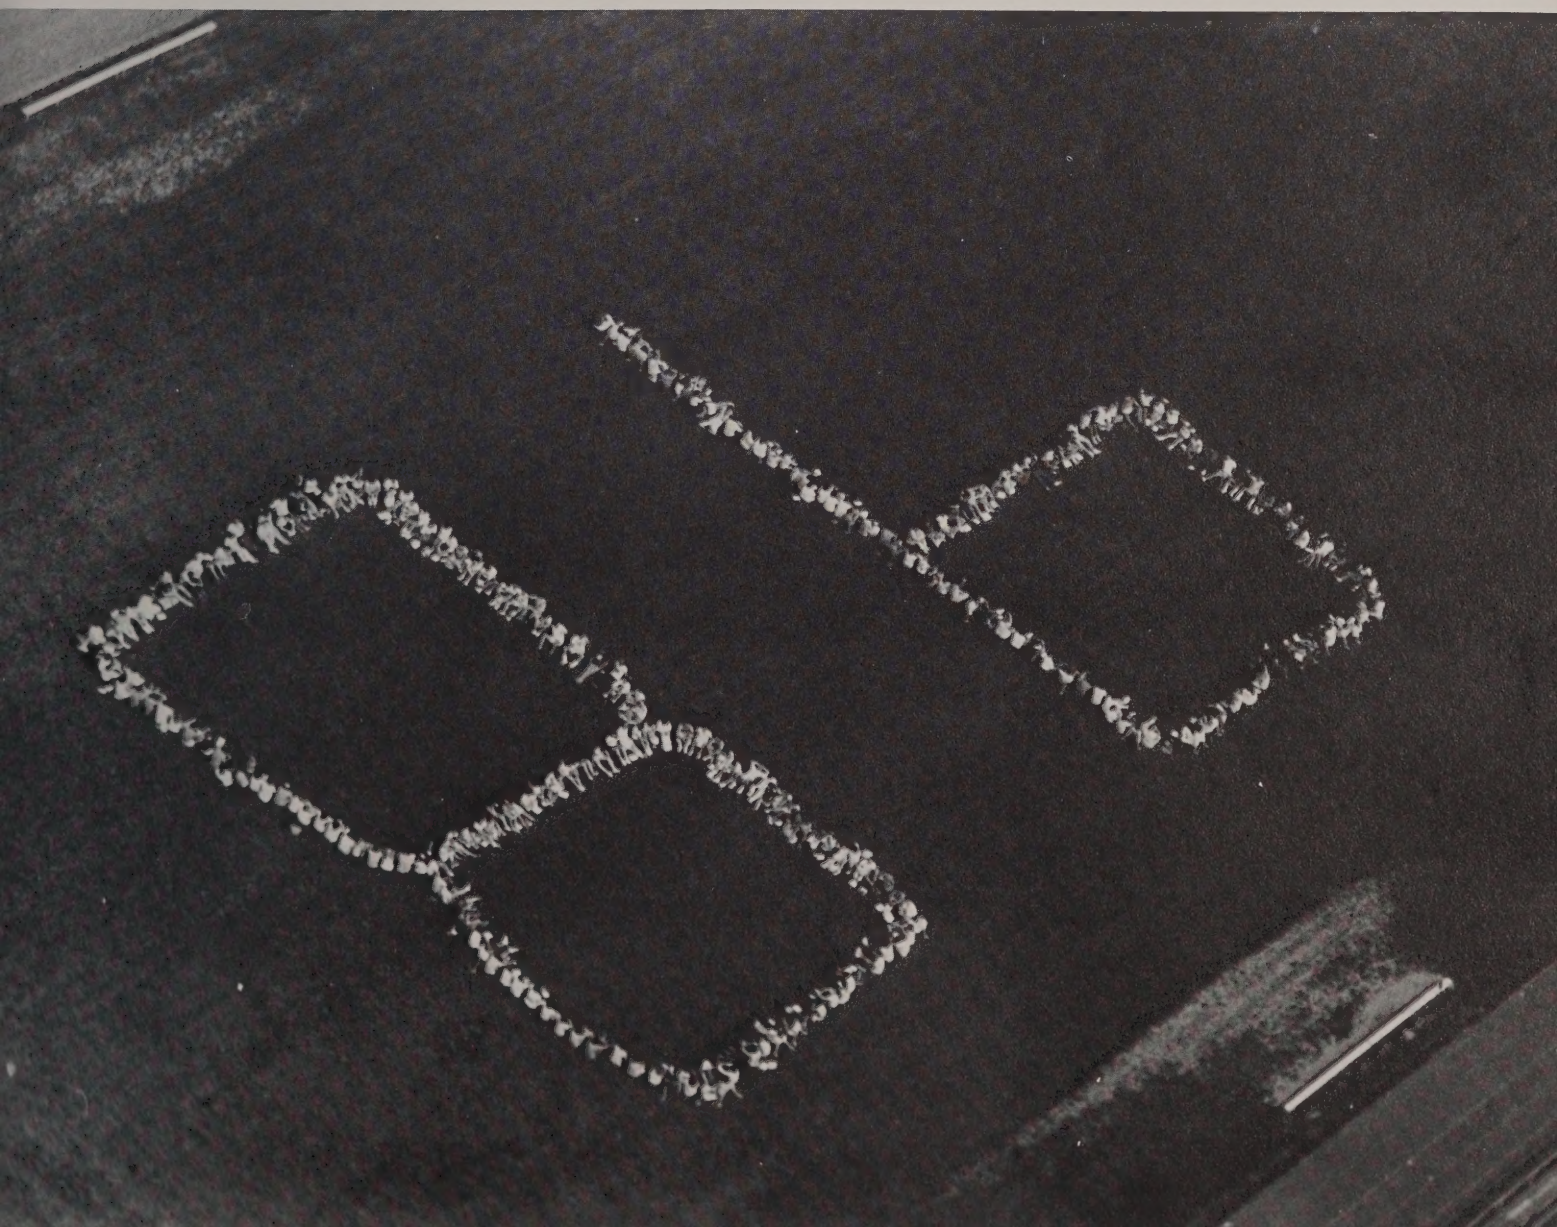
Once in its lifetime, Halley's Comet streaked into sight and viewed a group of human '86's — a living, breathing chain of human lives linked by a common spirit. Linked, too, by common experiences and uncommon accomplishments. Linked by joys and sorrows. Linked by dreams of "What-I-Hope-To-Be".

But then the links separated; and the Once-In-A-Lifetime Class of '86 disappeared like the comet to follow its destined orbit in time, each link trying to catch a special dream before it faded beneath the horizon.



# Kerry S. Kelley

November 10, 1967 - June 3, 1986

His place as center on the Rebel's football squad seemed so appropriate because he always was in the center of things off the field as well as on.

As a lifeguard at the Walpole swimming pool in the center of town, he was known as "Good-time-Kells" or "Fun-in-the-sun-Kells." Those names showed just how popular he was with the kids who felt he was very much in the center of their lives; and it was his rare good humor that made them feel comfortable.

And when he turned in his football pads for his goal-tending hockey pads, he was in the center of things again. He was in the center of every game he played, not because he was a star, but because he was a team player. He wanted the best for his team and he gave his best to the team, and the team knew it.

Whether he felt he lost or won a game, he felt it for the team. Angry at himself for some surrendered goal, he might slam lockers and throw down his skates, but it was only because he was hard on himself. So hard, in fact, that in the game against Milton this year, he bundled himself to the hilt and played the entire game with a fever well over 100°. That was Kells.

But though he enjoyed most being in the middle of things, either on the field or the rink, he also enjoyed watching from the stands. He seemed always to be there whether it was girls' basketball, field hockey, baseball or whatever! Kells was there. And his classmates knew he was always there. So when it came time to vote class superlatives, he was the runaway choice for "Most School Spirit."

And, then, when graduation came, and his life hung in the balance, it was his spirit in the center of things as a circle of friends in their caps and gowns remembered Kells.

No, he never was MVP or athlete of the year, but he gave it all he had in everything he did to make the most of what he did. His humor was contagious; his dedication enviable; and his friendship and warm smile with just a glint of Irish whimsy were offered to everyone.

It will be a long time before he moves from the center of our memories, and it is with much love that we dedicate these pages to a life that expressed so well the Spirit of the Class of '86. *

*Written by Richard F. Schnorbus and Christopher M. Desprez.

Adviser's Comments

As the 1986 REBEL Staff continued to work diligently on compiling material for the yearbook, it was heartened to learn that the 1985 REBEL had won the second place position in competition with New England High Schools having enrollments over 1,000 students. From the American Scholastic Press Association the book received a first place category award; and in international competition, a third place. The Christmas Party and End-of-Year Banquet provided a break from work. Staff alumni returned in June to join in the festivities at the Kahana Restaurant.

Unless one is involved in the preparation of a yearbook, the common attitude is to take this document and its time-consuming tasks for granted. Students on the staff, very much like non-actors connected with a play, spend long hours behind the scenes to present an exciting and accurate account of the present school year. Countless details are necessary to bring the project to its completion. Very few realize the time spent by the advertising staff to provide a strong financial base; by creators of eye-catching layouts; by artists; by photographers; or by compilers of facts and statistics.

Their devotion is at least equal to, if not above that, of athletic participants; yet they receive none of the common accolades, trophies, and gifts bestowed on these stars. To receive judgment on their efforts, they must wait until the spring after graduation when the yearbook competitions are completed; they must rely on the adviser entering these contests and forwarding a copy of the yearbook. When results are announced, graduates who were responsible for the success, are not around to receive even congratulations for their efforts.

It is with scant hope of any recognition for their efforts that the staff pursues its goal to the end and receives its only satisfaction from a job well done. But, their objective is to achieve a sense of accomplishment; and I believe the 1986 staff reached that ambition. Unselfishly they gave to future generations the means to learn what life in high school was like during the 1985 - 1986 school year. Long after the actors, musicians, athletes, class officers, those superior in academics, and club members have enjoyed being personally recognized for their efforts, hundreds will receive the enjoyment of reminiscing by opening the yearbook.

The Class of 1986 can be especially grateful to the efforts of Chris Desprez and Claire Shiels who not only worked the entire summer after graduation completing layouts, but into the fall as well checking proofs. I am sure all will agree their many hours of devotion have resulted in a document the Class will always treasure.

# GET $25,200 FOR COLLEGE IN TODAY'S ARMY.

The rewards of being a soldier just got richer. With The New GI Bill Plus The New Army College Fund.

You contribute $100 a month from your first full 12 months' paychecks (for a total of $1,200). The government and the Army will contribute the rest (up to $9,600 from the government and up to $14,400 from the Army, if you qualify). That's a great deal.

And as a soldier, you'll also learn a great deal. The Army offers over 80 skills for training. Many of the skills are high-tech, and many are skills you might want to pursue in college.

Call your local Army Recruiter for all the details.
